Who's Who Activities

*Student Council President
Brooks Knight*

PRESIDENT OF THE Student Council, Brooks Knight, headed the organization responsible for governing Edison's student body. Brooks presided over the weekly Council meetings and worked daily with the Executive Committee. Once a month he presented a summary of the Student Council's accomplishments for the preceding month. Brooks kept up with student opinion and all problems which arose because he played an important part in improving communications between the faculty and the student body. Through his efforts the different organizations and individual students united to co-ordinate the school activities for 1968.

*Senior Class President
Floyd Weiss*

PRESIDENT OF THE 1968 Senior Class, Floyd Weiss, supervised all Senior activities throughout the year. Floyd also presided over the Senior Planning Board Meeting each Friday. It was his job, along with the other Senior Class officers to plan the Senior Signing Party, the Senior Prom, and arrange all other senior functions. During the commencement exercises Floyd presented all graduating Seniors with their diplomas. At the close of the ceremony Floyd led the class in turning their tassels, signifying the graduation of the Class of 1968.

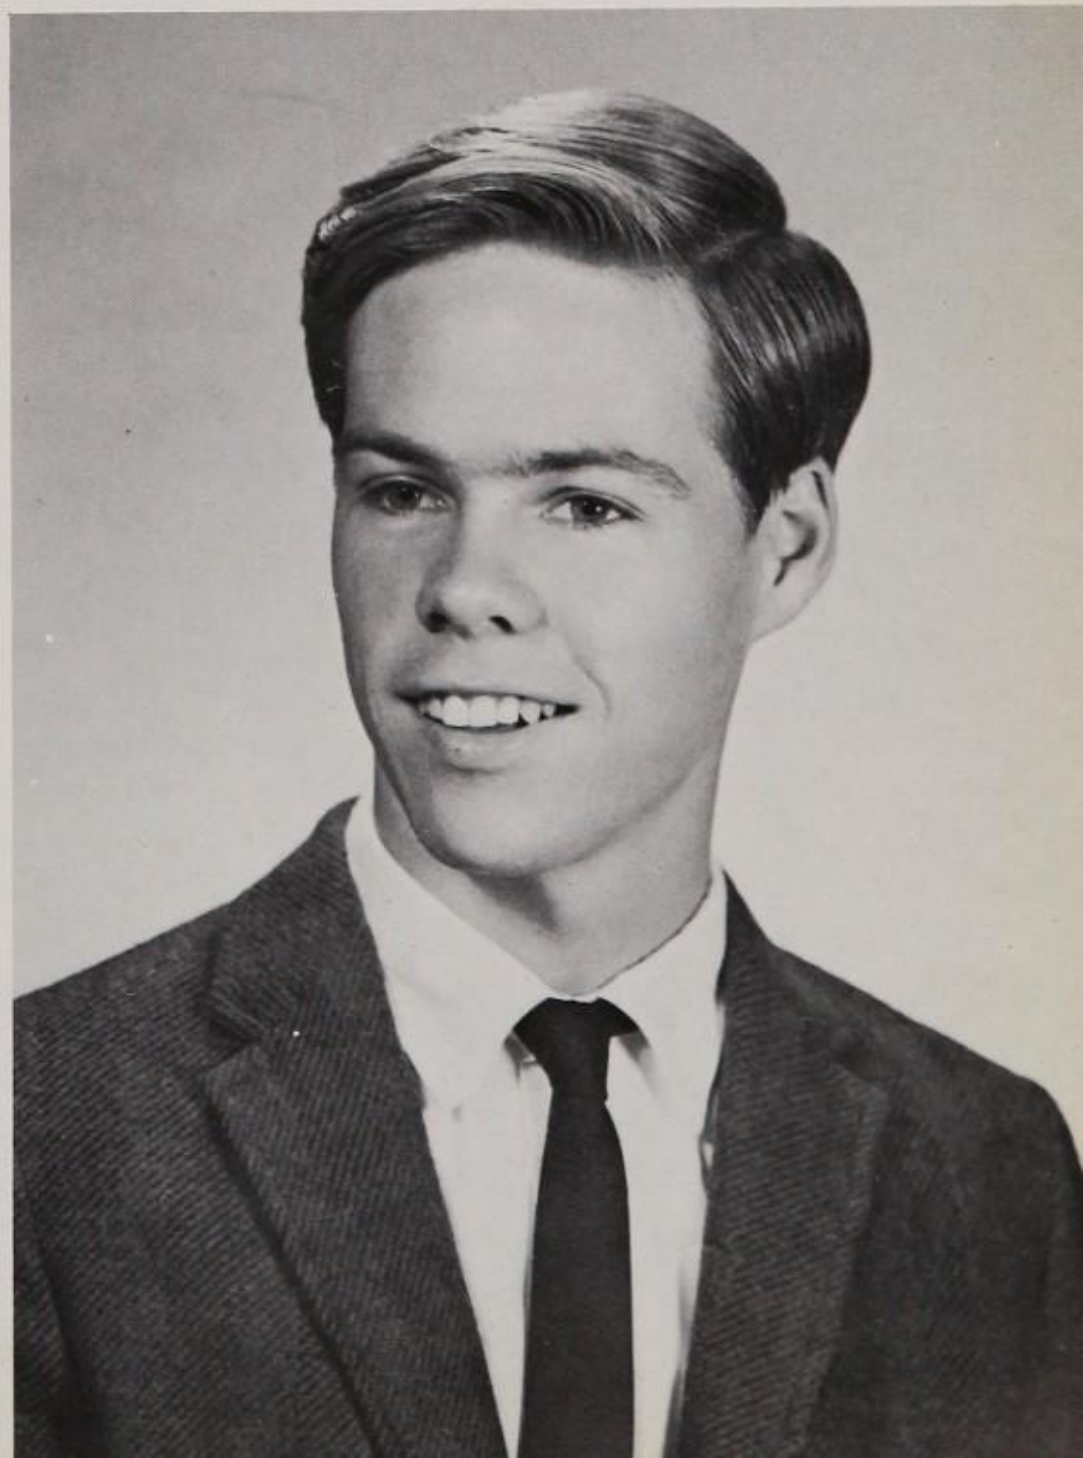

*Pep Squad President
Pam Cates*

PAM CATES, AS President of the Honey Bears, led the pep squad in morning practices, during all football and basketball games, and on the field at half-time. Under the sponsorship of Miss Helen Wyatt, Pam spent many hours each week planning the precision routines for which the Honey Bears are noted. She also led the projects which the Pep Squad undertook throughout the year. Pam's spirit and drive were a major factor in making the Honey Bears one of the leading organizations at Edison.

*Drum Major
Gary Hargett*

GARY HARGETT, DRUM MAJOR of the Golden Bear Band, led the Edison portion of every football half-time show. Gary also supervised the band members and the majorettes at all morning practices. Gary and Band Sponsor Travis McCown planned the band's part in each precision marching number. Gary was the student director of the Christmas Show and the other band concerts throughout the year. Gary's last duty of the year was to present the newly-elected Drum Major with his baton at the last band concert of 1968.

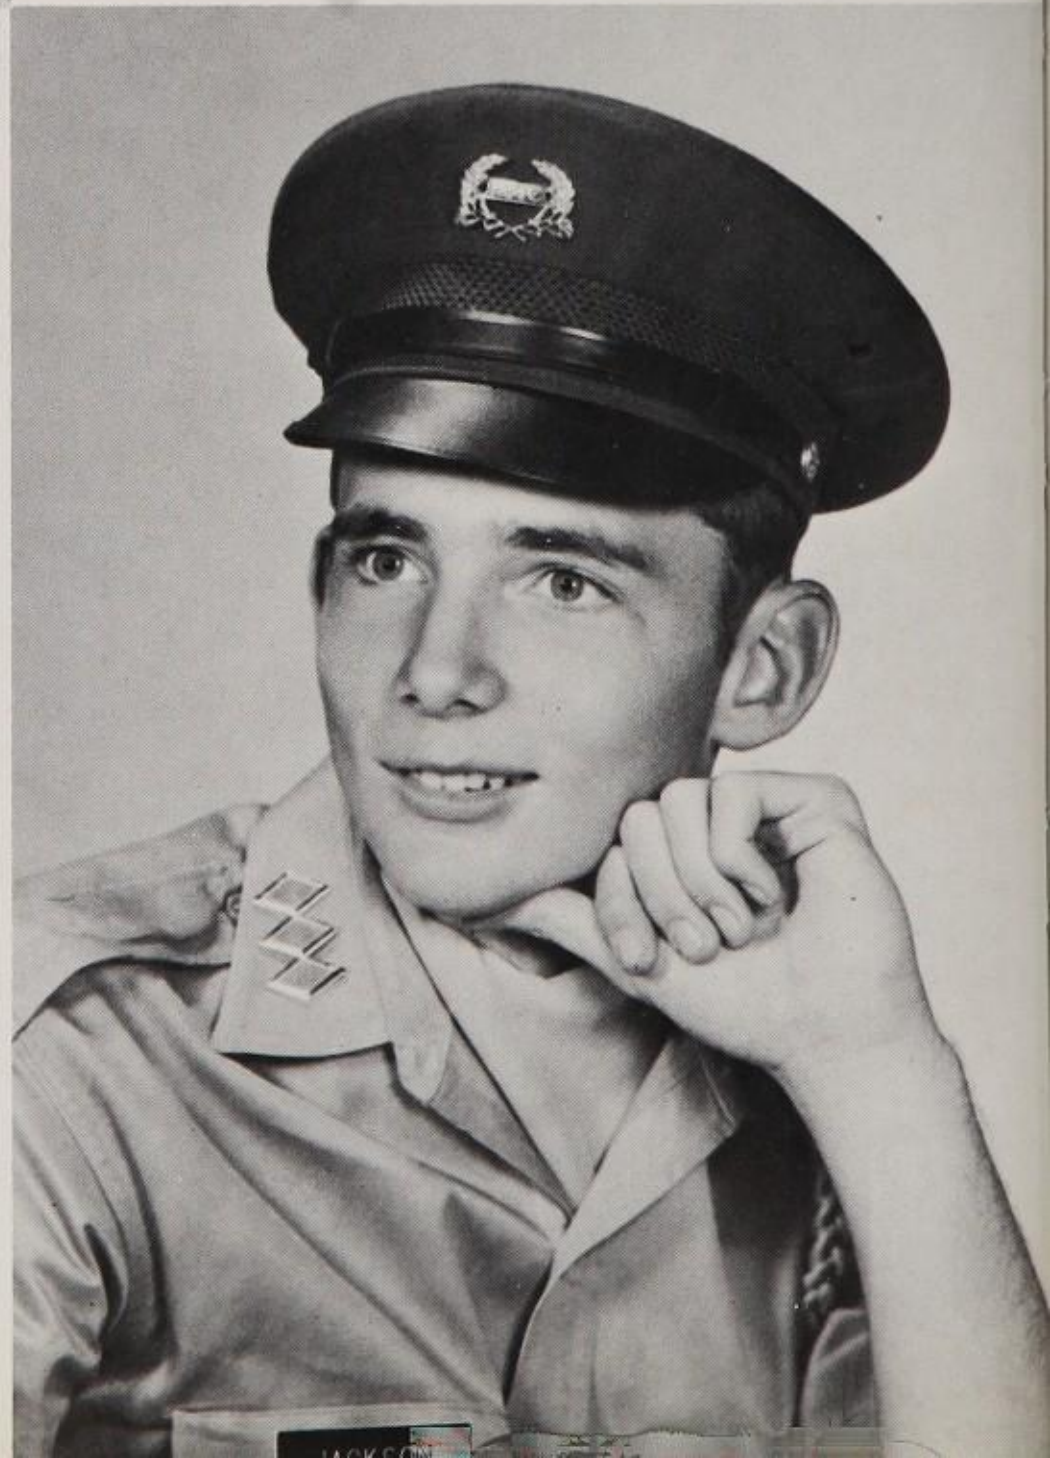

Featured Twirler Linda Coe

LINDA COE, EDISON'S Featured Twirler was elected in her junior year because of her outstanding twirling ability. Linda was First Runner-Up for Miss Teenage San Antonio last year, and is currently Miss Senior Majorette of Texas. Linda displayed her talent at all half-time shows, pep rallies, and band concerts. She attended a convention in Dallas last fall where she demonstrated several of her award winning routines. Linda's original style made her a focal point of any activity in which she performed.

ROTC Brigade Commander James Jackson

ROTC BRIGADE COMMANDER, James Jackson headed all boys in the Edison ROTC. He performed all duties of a commanding officer in this organization which prepares high school boys for future duty in the armed services. Along with learning their ROTC duties, the boys escorted the pep squad at football games, patrolled the hallways during advisory, and hosted a Military Ball in the spring. It was James' responsibility to lead the Grand March at this ball and to co-ordinate all ROTC functions.

*Bear Tracks Editor
Mickie Perez*

CO-EDITOR-IN-CHIEF of the Bear Tracks, Mickie Perez, guided the entire staff in putting out the newspaper. Because the paper came out every two weeks, Mickie was constantly working to meet a deadline. Since the Bear Tracks is an offset publication, Mickie had to be very careful to paste up the pages exactly as they were to appear. She then submitted the pages to the printer, and he photographed them for publication. By the time the Bear Tracks was in the hands of the students, Mickie was already working on the next issue. Through Mickie's efforts, the newspaper reflected the activities and attitudes of Edison's student body.

*Bear Tracks Editor
Vicki Brownlow*

VICKI BROWNLOW, Co-Editor-In-Chief of the Bear Tracks, co-ordinated the staff in producing Edison's bi-weekly newspaper. Along with Mickie Perez, Vicki wrote her own stories for each issue. Vicki's many duties included page make-up, paste-up, and ad sales promotion. Vicki also assigned stories for each Friday's issue on Monday of the preceding week. She was in the journalism room for two periods during the day in order to devote most of her attention to producing an interesting account of the school year.

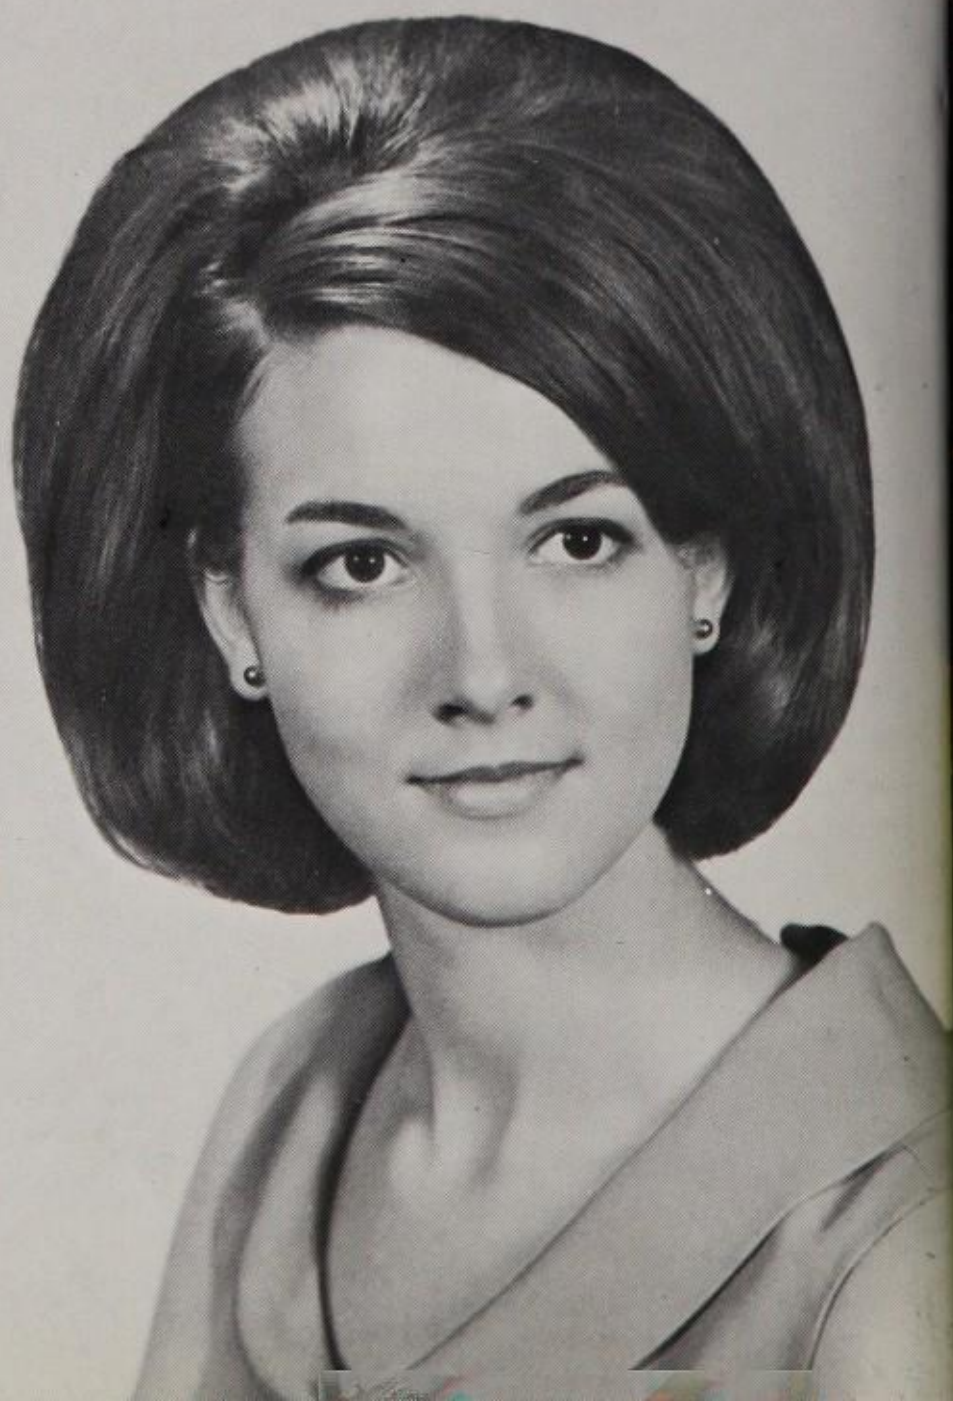

Literary Society President James Jackson

AS PRESIDENT OF the Literary Society, James Jackson encouraged the literary efforts of Edison students. His main job was editing the literary magazine, "Into The Light." James also contributed poetry and short stories to the content of this publication. He presided over the meetings of the Literary Society and headed the sale of "Into The Light" copies in the spring. Through producing this anthology, James gave many students opportunity to exhibit their work and encouraged their future writing efforts.

Spark Editor Sharon Kiesling

SHARON KIESLING, EDITOR of the Spark supervised the staff in producing the 1968 yearbook. Along with the associate editor, Mary Harmon, Sharon selected and carried out the cover and theme of the Spark. She was also secretary of Quill and Scroll, a journalism honor society. She attended several journalism conventions during the year in an effort to find fresh ideas for this year's annual. Throughout the year Sharon worked with the staff members to make the Spark an accurate and interesting record of the activities of 1968.

The Beginning of

THE BEGINNING OF the 1967-68 school year started with a hearty welcome for all with the help of a Student Council banner, hung over the front doors of Edison. The summer may have seemed short, yet the fascination of the first pep rally, the excitement of the howdy hop, and the commotion of the out-of-town game replaced old memories with new ones.

During October, the new wing was opened, allowing classes to be re-routed and settled. The ROTC began their second year of patrolling the halls during the noon lunch hour. The pep squad and band used the west parking lot in the mornings for their half-time shows, as their former "practice field" had been turned into a giant trench during the last summer months. Little by little a new life was beginning - the new life of Edison.

DeeDee Keller and Susan Jerkins join in with school spirit, as they design Color Day posters for the game against Sam Houston.

Filled with school spirit and pride, the pep squad and band cheer the Fighting Golden Bears.

New School Year

Early morning practices find the band and pep squad drilling for their precision half-times, the first of which was presented in Austin, Texas.

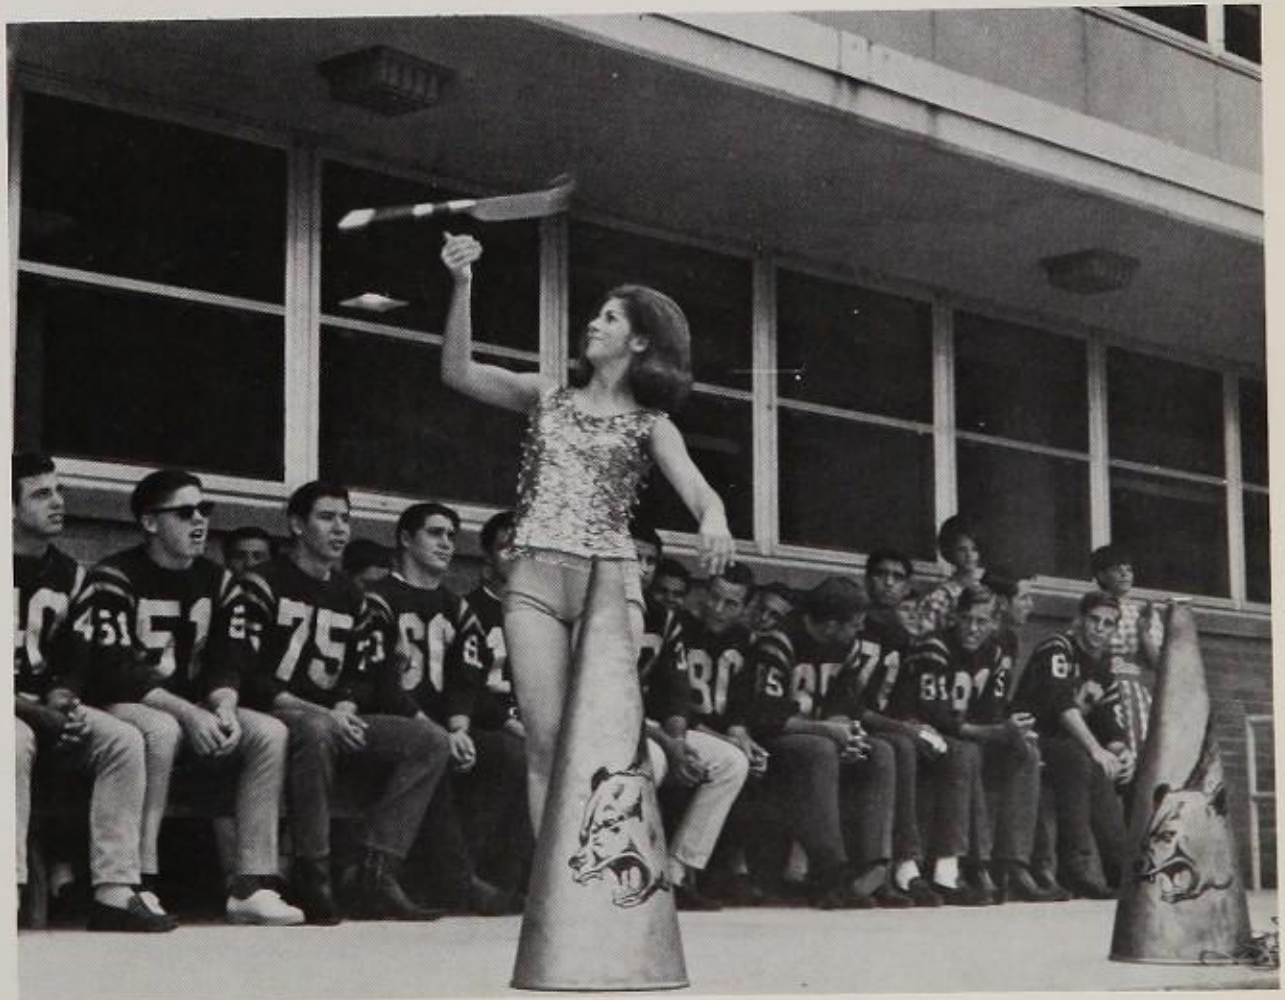

Principal Marvin E. Greer cuts the gold ribbon marking the official opening of the new wing on Oct. 14.

September 1st proved to be a new experience for registering sophomores.

Linda Coe, feature twirler, performs difficult maneuvers with Samoan Knives during an early morning pep rally.

Color Day Assemblies Add Spark To The Week

Linda Coe, Senior Miss Majorette of Texas, performs proudly for observers during an evening game.

The football team unites for the last prayer song at the end of a pep rally.

EDISON'S FIRST COLOR game was against Sam Houston. The drama department put on a short program, "To Tell the Truth", on the morning of the game, with a 45 minute pep rally afterward.

The year wouldn't have been complete without at least one Friday the 13th. It came early this year, and consequently, caught many students unaware.

October 17th was Greenback Night for the parents. This was the first time many of them were able to see the new wing. Yet fate was against them that night, as the majority of the electricity was cut off from a power failure; consequently teachers and parents met each other in the dark.

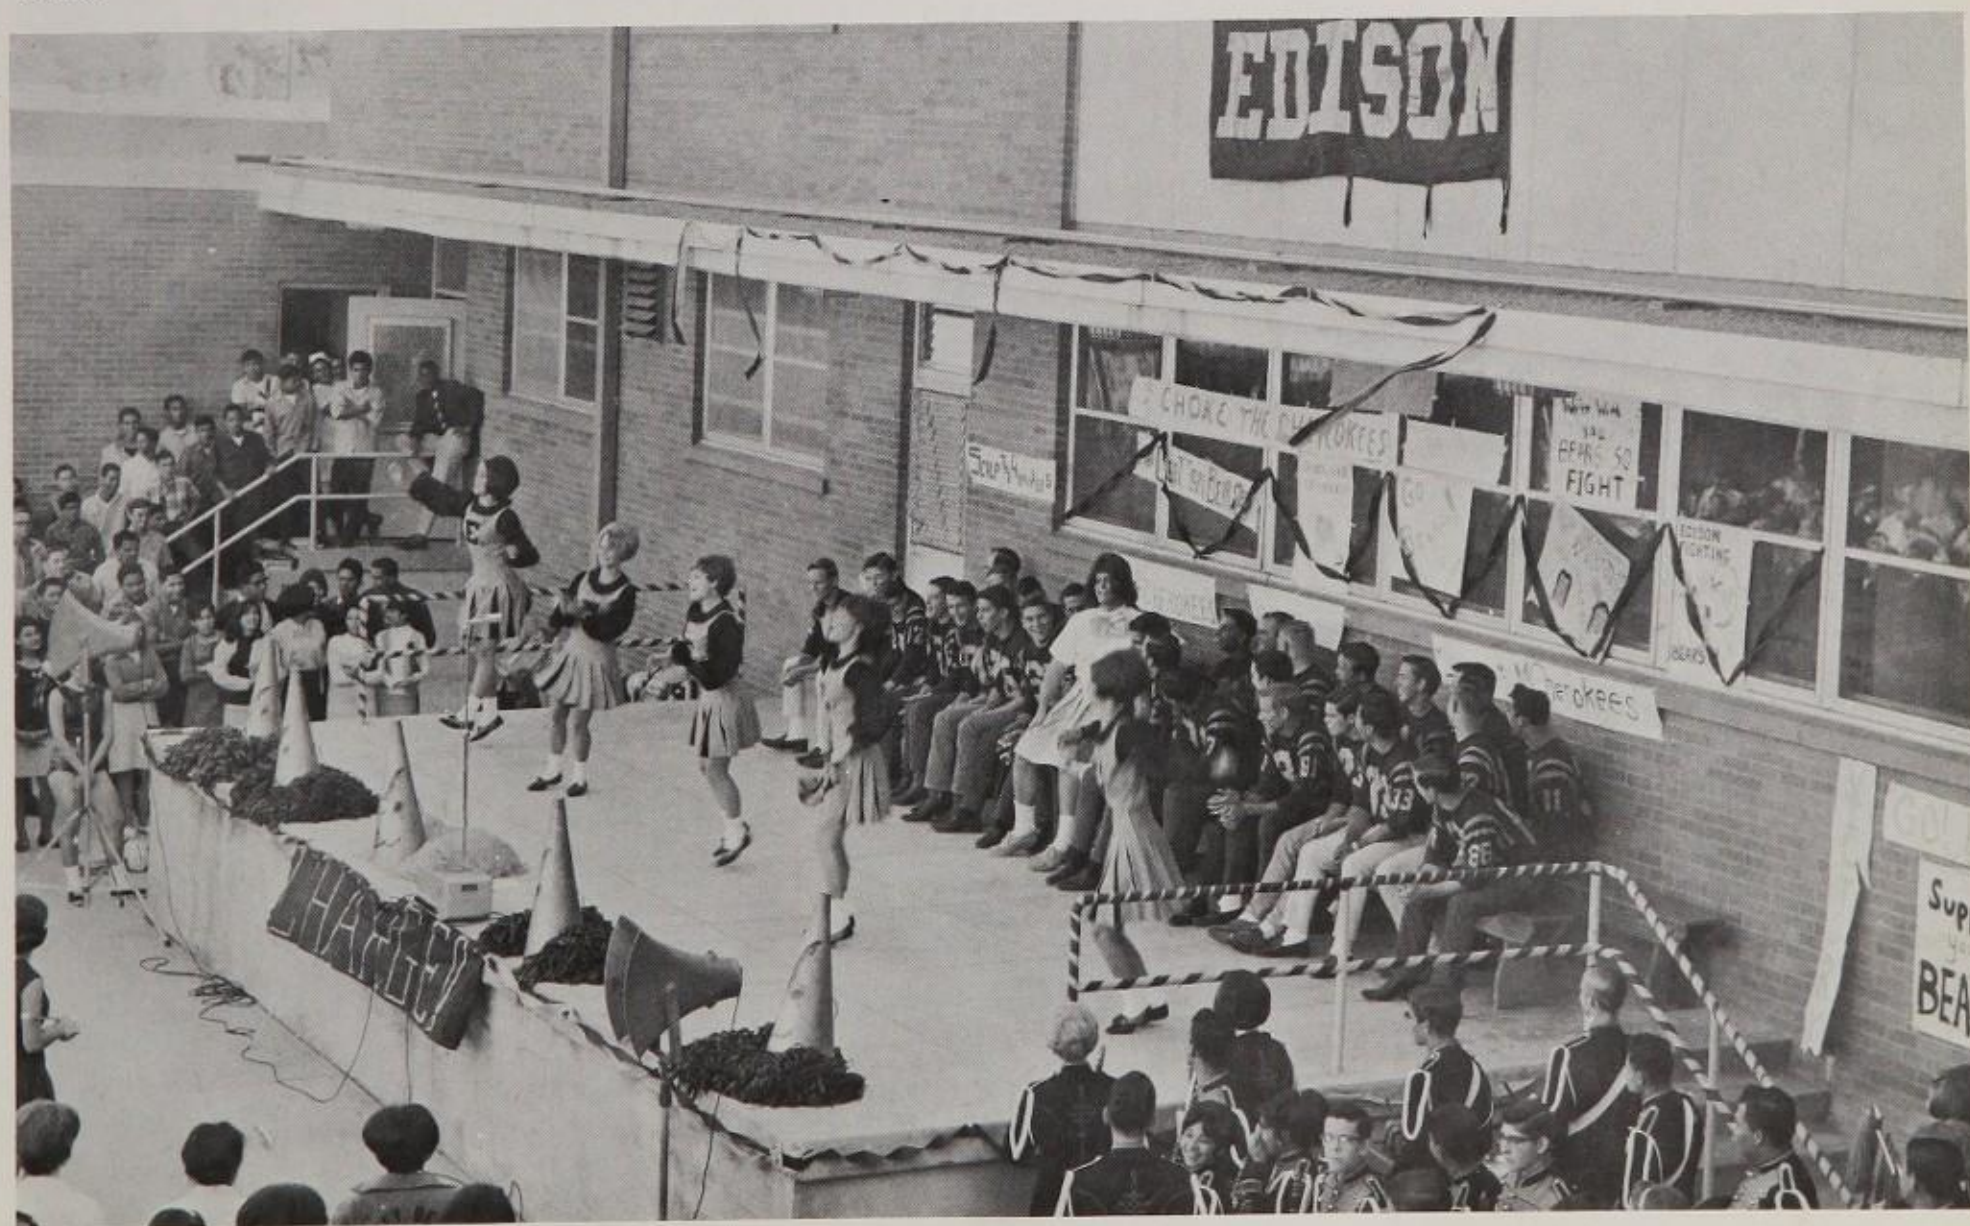

During a Color Day Assembly, Deborah Black gets excited over an injured football player, while Michael Petty gets the details from Jim Robbins.

Mike Asher, Raymond Acosta, and James Massarello have their share of bad luck on Friday the 13th. Along with the boys' flat tire, a passing motorist climaxed their unfortunate day.

The first color day brought a 45 minute pep rally with class battle cries, color yells, and whisper-talk-and-yell repetitions.

Band, Pep Squad Rally Fighting Golden Bears

Edison's ROTC unit borders the section of Northeast stadium reserved for the band and pep squad to cheer for a victory over MacArthur.

FOOTBALL ACTIVITIES HIGHLIGHTED the first three months of school. The enthusiasm of the Honey Bear Pep Squad and Golden Bear Band brought out the fighting spirit of the team. Their concentrated efforts at weekly pep rallies resulted in high spirits which lasted throughout the hours preceding the game. Although the loyalty of these booster organizations was put to the test during the nine loss, one win season; their spirit never failed, and their efforts were well-rewarded by the pride they instilled in the team and student body.

Varsity cheerleaders present arms in respect for the traditional prayer song.

Left: The varsity football team, the cheerleaders, and the majorettes are the backbone of Edison's spirit organizations.

Dances, Pictures, Rallies Comprise Hectic Weeks

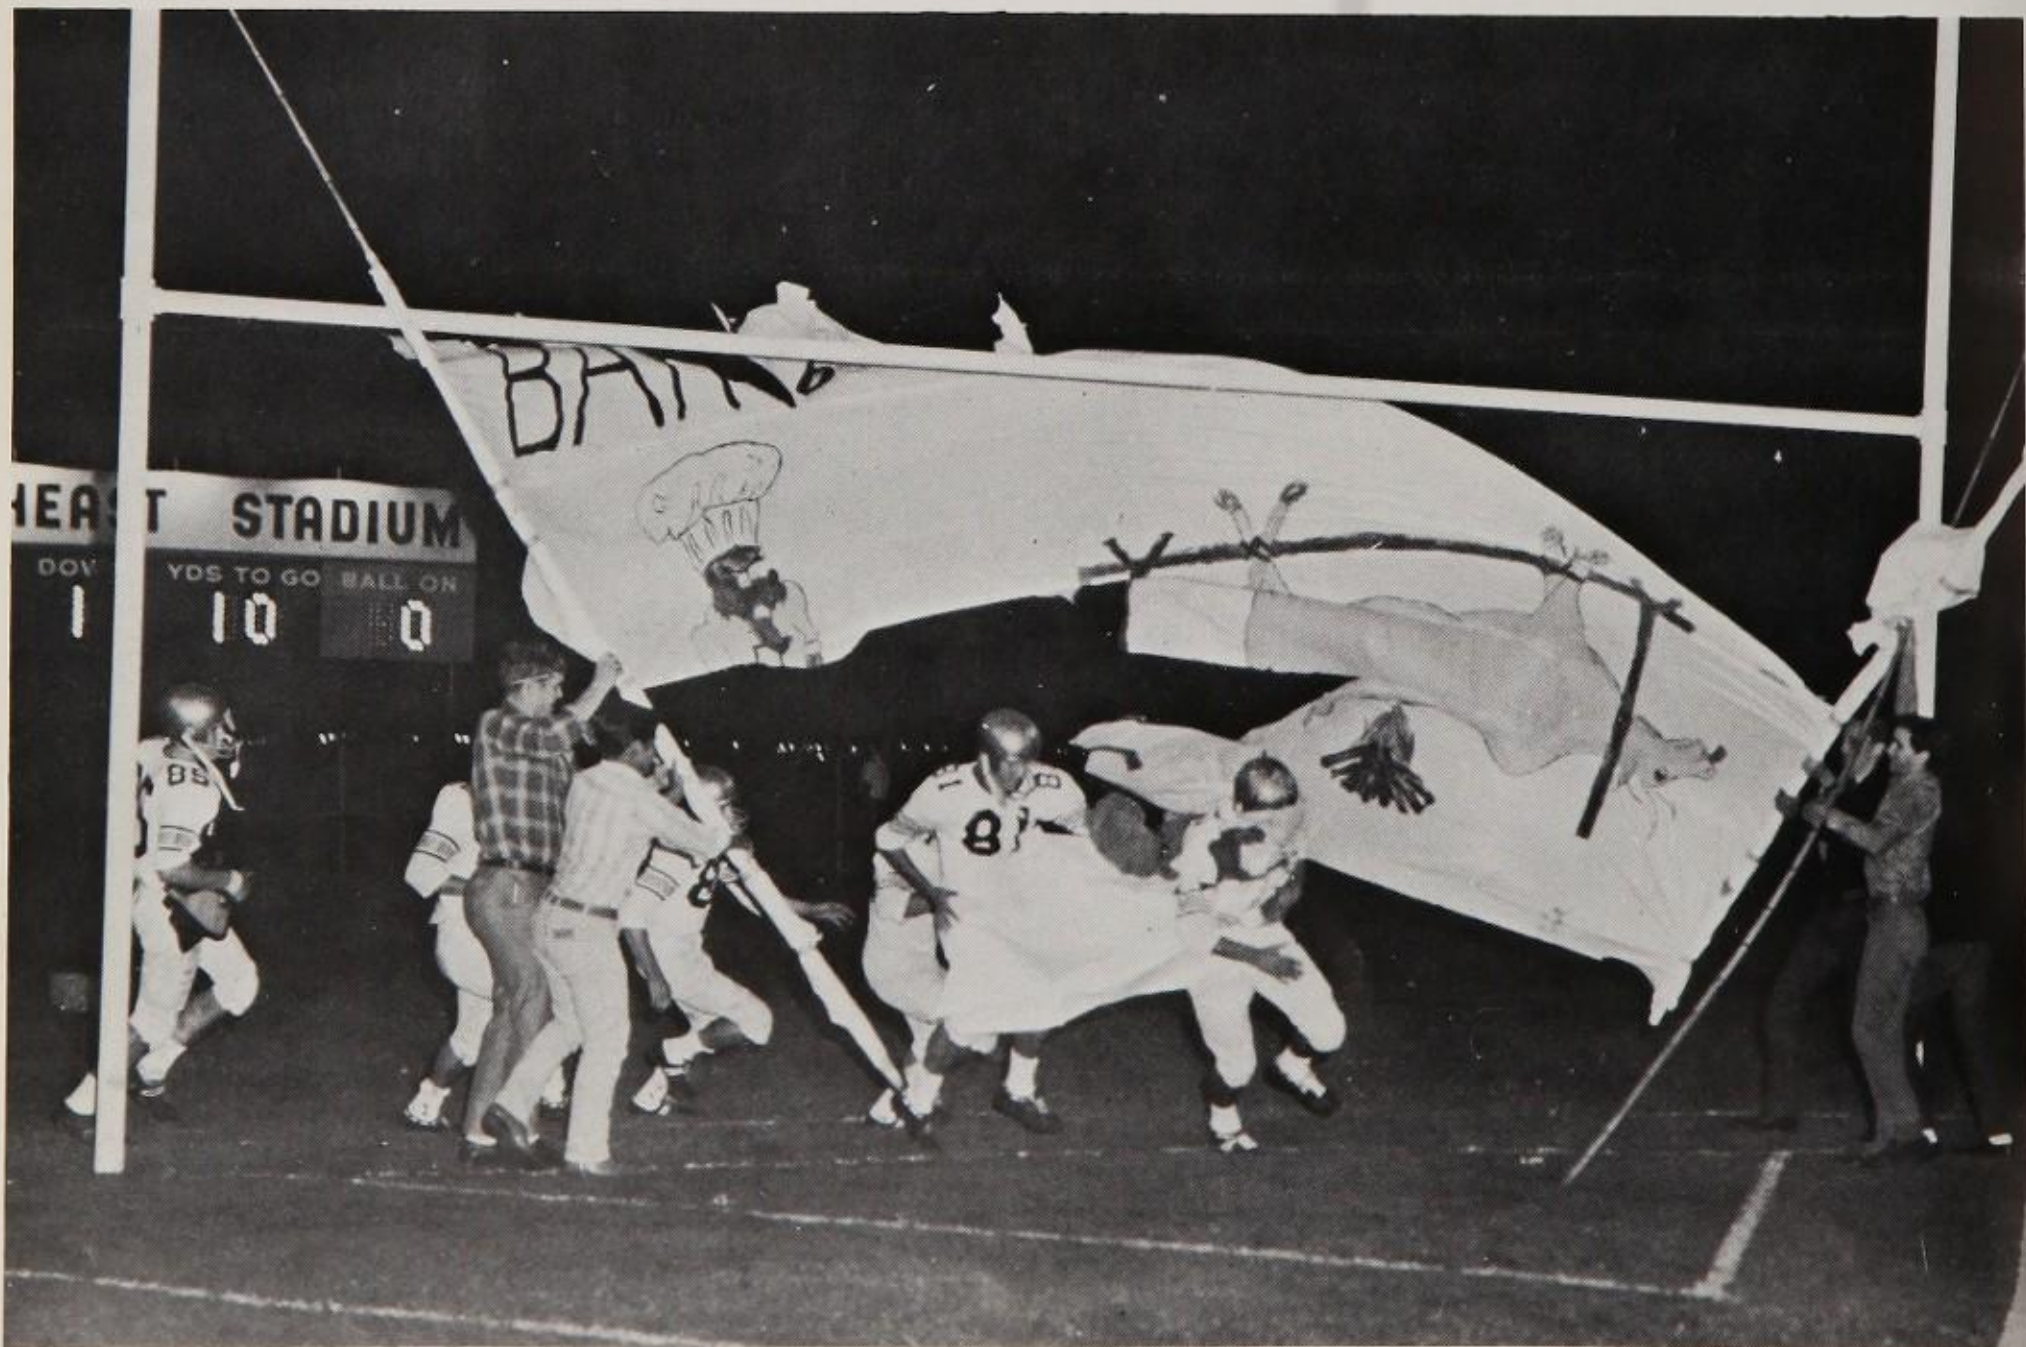

Though they haven't had time to change from practice clothes, the Honey Bears cheer the football players at an early morning pep rally.

CLASS AND ORGANIZATIONAL pictures kept the pep squad, band, and senior class hopping for several weeks during the fall. The pictures taken on the patio required full co-operation from the hundreds involved.

Late in October, the Student Council sponsored a Western-Halloween Dance, held as a celebration for the victory over Roosevelt. To promote participation, the Council awarded prizes to the couples with the best costumes.

Brooks Knight and Roy Munsell, present and past presidents of the Student Council, brace the spirit poster as the Bears break through.

Fred Kunz, Dale Redding, and Richard Smock, members of the "Coachmen," entertain at the Student Council Halloween-Western Dance.

Mr. E. L. Goldbeck, photographer for the senior class picture, instructs students to line up according to their heights.

As Iris Shockley and Janice Allen capture the students' attention with "Mmm, Mmm," the football players watch with mixed reactions.

Drama Premieres In "Gas Light"

Even though Richard Hanlon, Karen Merkins, and Steve Tomblin are not connected with drama, they find the stage props quite unique.

THESPIAN TROUPE 772 is the center of all dramatic activities held at Edison. Thespians produce several plays each year including the Senior Play. Mrs. Butler and the drama department organize and direct the annual talent festival also, in which Edisonites exhibit their varied skills.

"Gas Light," the first play of the school year, was set at the turn of the century in an English townhouse. The elaborate props and costumes provided a colorful background for the dramatic production.

Right: Clifford Todd, Karen Olsen, and Kay Ambrose held the leading roles in "Gas Light."

Members of the stage crew for "Gas Light" were: Jim McKay, Rickey Borgstedte, Debbie Mabry, Lynda Cook, E. B. Jobe, Karen Ramsey, Sue Record, Gordon Swan, Pat Ward, Linda Ackerman, Richard Hanlon, Brenda McCullough, and Jim Robbins.

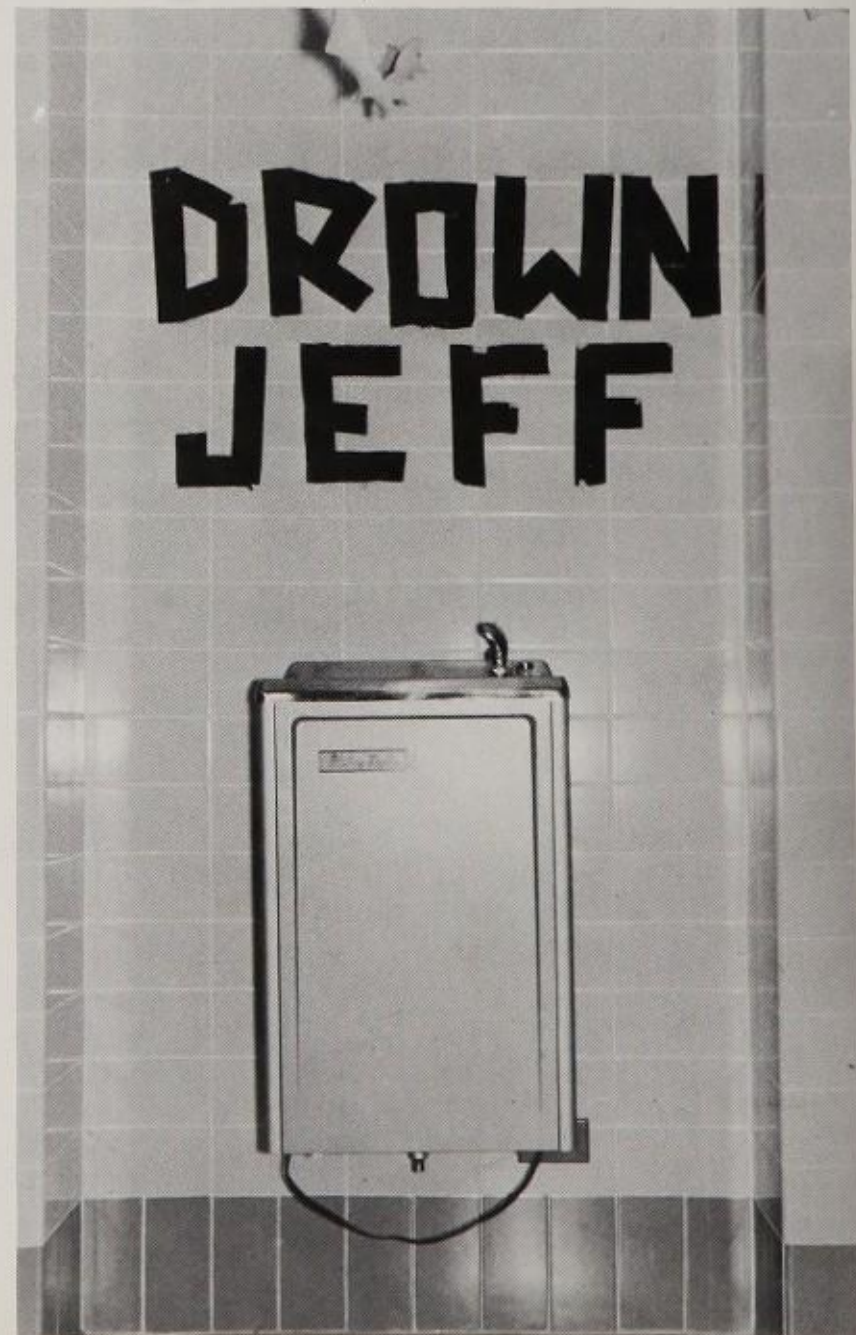

David Goetz and Floyd Weiss tensely wait for an opportunity to capture the ball from the Alamo Heights team.

During the prayer song, the varsity basketball team and cheerleaders set a respectful example for the student body.

A water fountain in the new wing expresses the students' hopes for a victory.

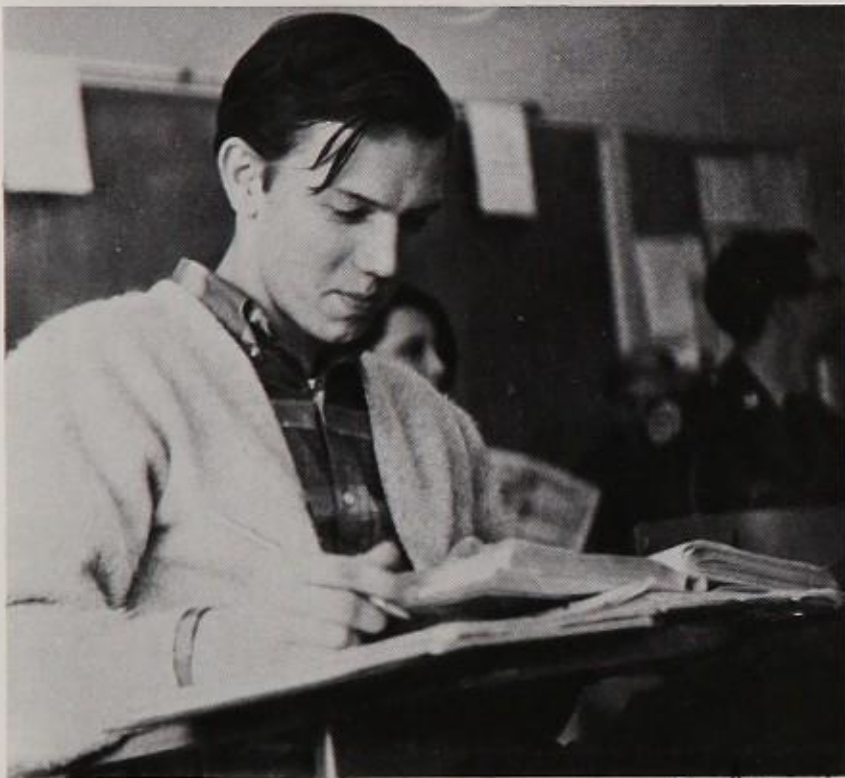

Annex Classes End; Basketball Season Begins

WHEN THE NEW wing was completed, the annexes situated on the patio were moved to another high school. For the first time in two years, the entire patio was free for student activity.

Basketball season followed close on the heels of the last football game. The frequent wins gave sports-minded students and teachers increased faith in the team's ability.

Ronnie Naumann seems pleased at the prospect of moving out of the portable classrooms.

Before students arrive in the morning, trucks move the annexes to a school in need of extra classroom space.

Edison students and graduates wait for the end of the game scheduled before the Edison-Jefferson game.

Mr. White directs the performance of the "Messiah" held in the auditorium for Edison students.

A Capella Presents Handel's Classic

EDISON'S A CAPELLA Choir presented performances of Handel's "Messiah" throughout the Christmas season, two of which were held for Edisonites in the school auditorium. The choir also gave a widely-publicized performance in the religious setting of Mission Concepcion.

Left: The Chanteys break rehearsal to pose against the majestic chapel of Mission Concepcion.

Student Council Cheers Local Boys In Viet Nam

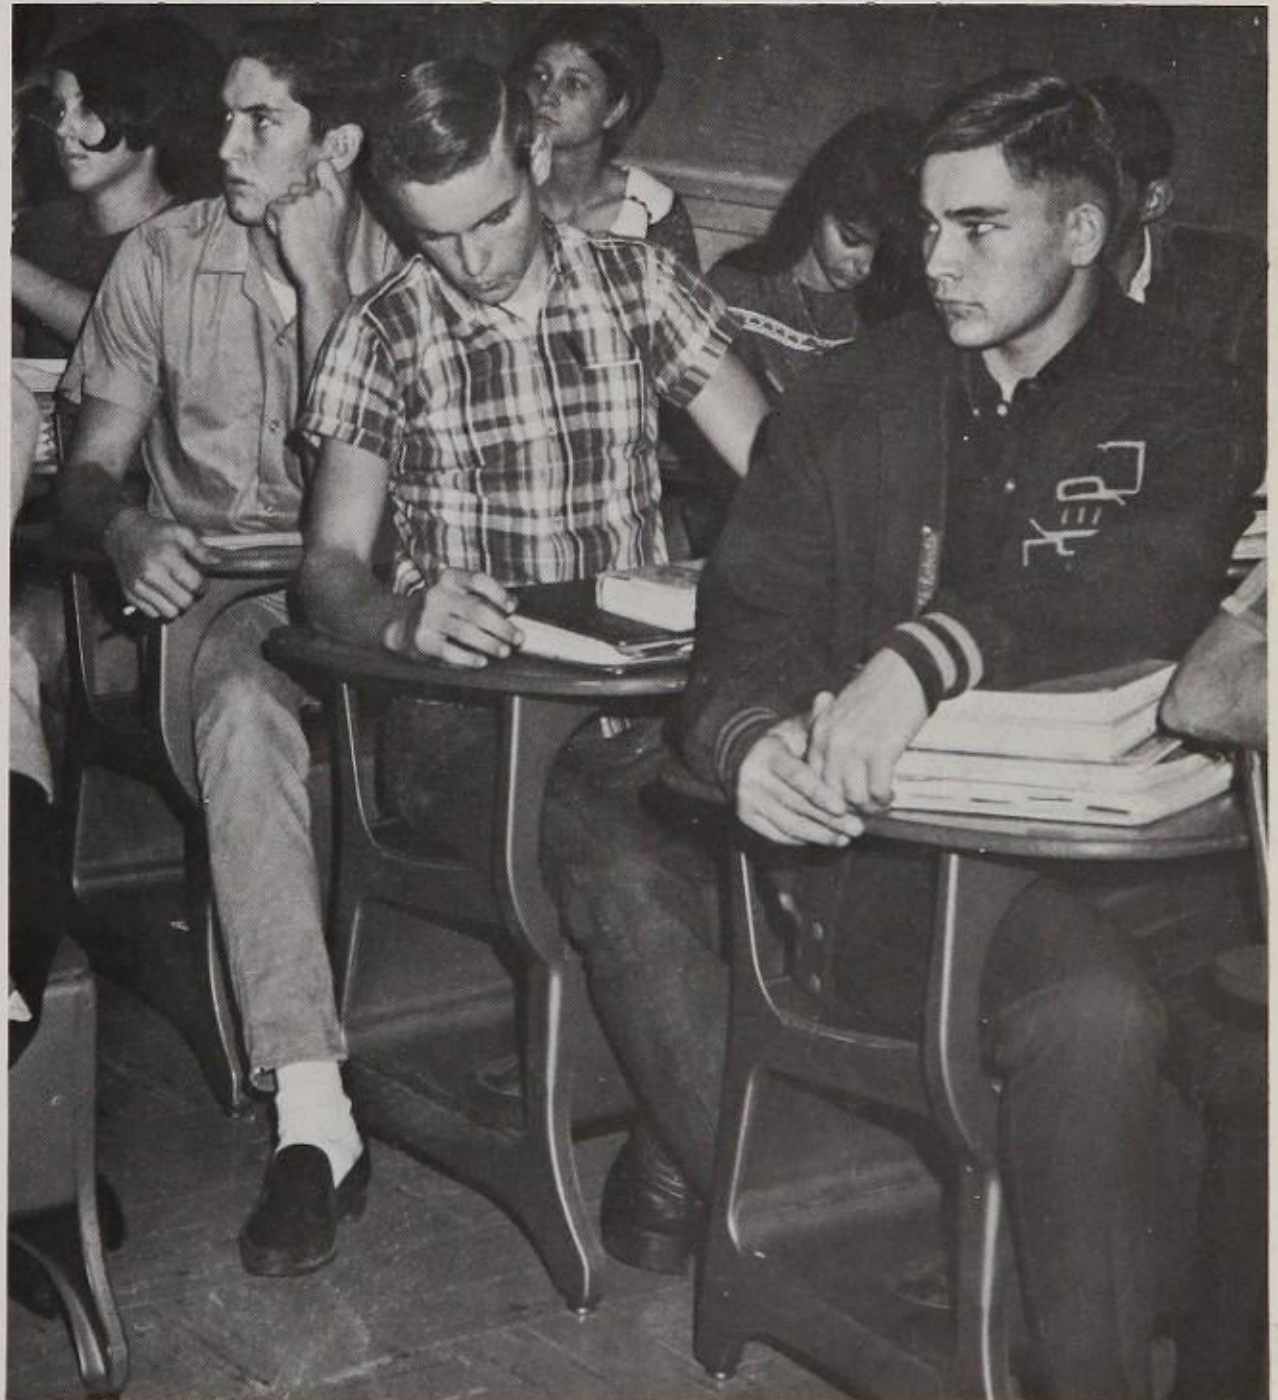

THROUGHOUT THE MONTH of December the sophomore, junior, and senior classes competed for the honor of contributing the largest amount of money to the Student Council's Viet Nam Drive. The junior class was ahead during the entire drive, with the sophomore and senior classes taking second and third places. This money was then used to buy fruit-cakes to brighten the Christmas of Edison graduates serving in Viet Nam.

Brooks Knight takes mental notes as Vicki McClain reports on the drive's progress to Student Council members.

Because of their major role in supporting the drive, juniors take pride in displaying the mailing cartons shipped to servicemen.

N.H.S. Honors Sophomores With Tea

DECEMBER AND JANUARY brought holidays, parties, and mid-term exams. A small Christmas tree, placed in the foyer was sprayed black and adorned with gold fiber ornaments.

A new trial schedule was used during the mid-term exams with great success. After each day's tests were finished, school was closed at 2:30. Students attended only three classes a day; one exam and an hour class in the morning, and one exam in the afternoon.

The National Honor Society held a tea for the sophomores who made the honor roll either the first or second nine weeks. Each sophomore who attended was pinned with a ribbon signifying his achievement.

N.H.S. member, Sarabeth Bowren plays hostess as she cuts and serves cake for Richard Baker.

New Year's Rains Dampen Activities

Heavy rains brought a flash flood to San Antonio. A student's car is flooded by the high water surrounding Edison.

NATIONAL SAFETY WEEK was an unforgettable week for Edison. A mock wreck staged by the National Honor Society resulted in chaos on the part of the student body. With the aid of Fort Sam Houston Technologists, four healthy, young seniors were transformed into the unfortunate victims of a two-car head-on collision. Police, wreckers, ambulances, and two partially demolished cars authenticized the collision. The sight of such destruction portrayed the ugly reality caused by neglect and carelessness.

Another attraction of National Safety Week was the National Honor Society's Road-e-o. Driving skills were tested in Barracudas donated by the O. R. Mitchell Corporation. The three top drivers won a total of \$300 in donated prizes.

The success of these activities was the result of the unified efforts of the National Honor Society and the Student Council. Proceeds went to the Society's Scholarship Fund.

Cliff Todd illustrates a victim of a two car collision designed to jolt students into careful driving.

The Senior Varsity football players challenged the male faculty members in a basketball game during the noon lunch hour.

Donald Eakin, Alice Duncan, and Brooks Knight were among the participants of the National Honor Society's mock wreck.

FEBRUARY BROUGHT A school holiday for the Stock Show and Rodeo, a western dance, and a Western Day.

Edison students took advantage of the Friday holiday to watch San Antonio's Rodeo Parade. The Golden Bear Band participated in the morning march and later received free tickets for the fair grounds at Joe Freeman Coliseum.

Students were granted a new liberty this year as each one was allowed to wear pants and shirts to school in accordance with the Stock Show and Rodeo. Girls donned colorful and contrasting outfits; many included boots and hats. Thanks to the cooperation of the student body, Western Day was a great success.

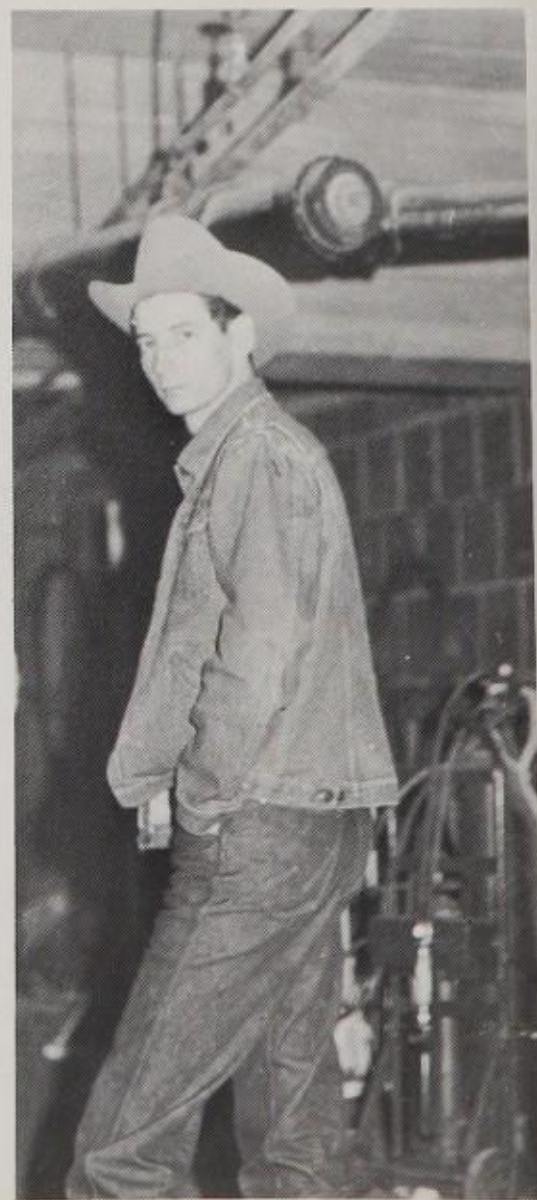

Using the theme, "Up, Up, and Away," the traditional talent show came alive with bands, twirlers, singers, and dancers. At the night performance, four participating students were awarded first, second, and third place prizes.

February Brings Rodeo and Talent Show

At one of the military exhibitions, Richard Hanlon takes part in a trial demonstration of a mock ejection seat.

Monte Hunter waits under the coliseum during a performance to drive the bandstand on to the arena.

Taking part in the Talent Show, Gracie Love sang the western hit, "Invisible Tears."

With the accompaniment of the "Coachmen", Ronnie Rojas played some soul music on his harmonica.

Sophomore Linda Holden displayed her talent as she skillfully presented her flag routine.

Second prize went to pianist Mike Reed.

Ernestine Trevino placed first with her solo of "Granada."

Richard Smock and Roger Mingus of "Nancy Jo and the Coachmen" teamed up with their version of "Jumbalaya."

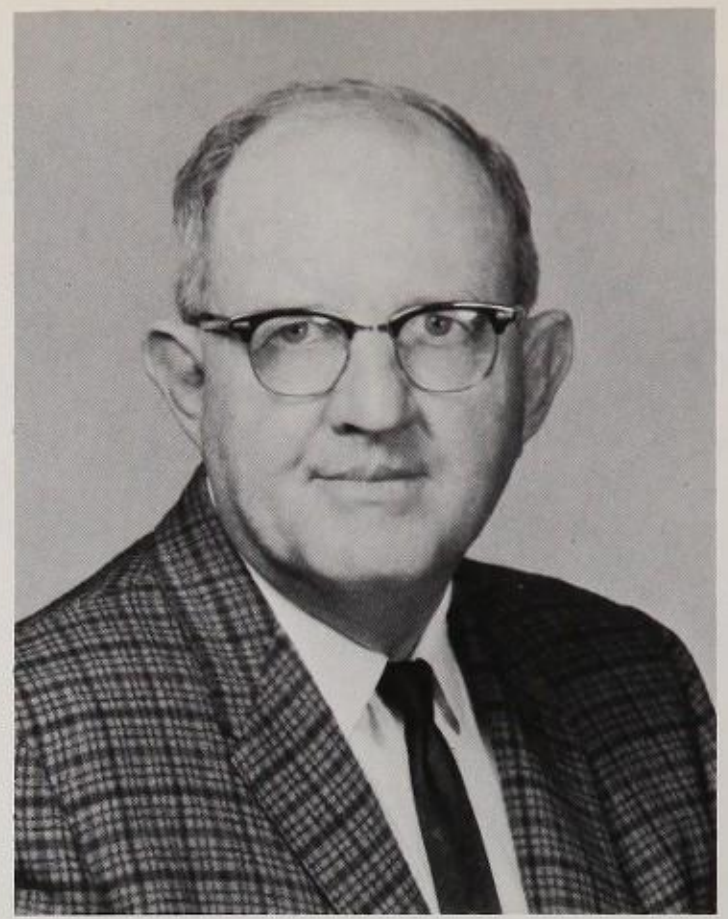

Linda,
It's been
great hasn't it!?
Stay sweet & you'll
go far - Love,

Faculty

MR. OSCAR MILLER
Superintendent

MR. A. W. NORTON
Assistant Superintendent

THE BOARD OF Education is composed of seven district members. This is the policy making body of the school district.

These members are people who are interested in the education of youth and are elected to office by public vote.

Mr. Oscar Miller, superintendent and Mr. A. W. Norton, assistant superintendent, administrate the actions of the School Board and handle problems pertinent to the educational welfare of the students.

School Board Executives Plan For Students' Future

School Board members are: Mrs. Claude Aniol; Mr. Lewis Claude Lee; Mr. George C. Guthrie, president; Mr. Harry O.

Curnutt; Mr. Tom A. Murrah; Mr. Ralph R. Cardenas, vice-president; and Mrs. W. Hayden Miller, secretary.

Administrators Keep Busy With Daily Activities

MARVIN E. GREER, PRINCIPAL graduated from Edison High School in 1945. Four years later, after graduating from Trinity University, he returned as a member of the faculty. Greer first taught biology and coached athletics at Edison. He was named vice-principal in 1961 and became principal in 1963.

Edison's principal was vice-president of his Senior Class as well as a member of the annual staff, football team, Dramatics Club, National Honor Society and Student Council.

Mr. Greer's hobbies are hunting, fishing, and bicycle riding.

Mr. Charles E. Brown, chosen vice-principal in 1966, assists Mr. Greer in the daily tasks of running a school. He acts as principal in Mr. Greer's absence and counsels the boys. Mr. Brown received his M.S. degree from Southwest Texas State College. His outside activities are hunting, fishing and golfing.

Faculty And Administration Are Always Active

Mr. Charles Brown and Mrs. Mary Shofner discuss a possible change in attendance rules.

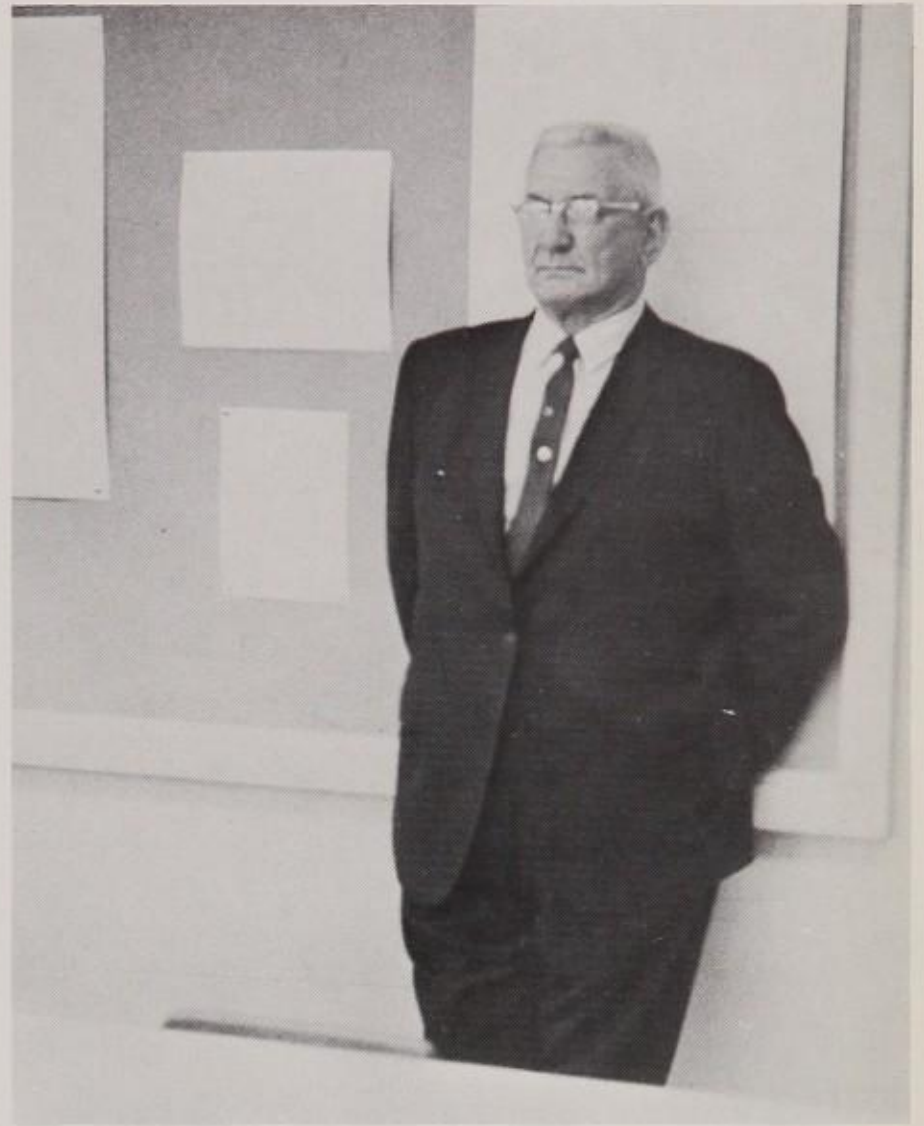

A Beloved And Admired Teacher

MR. ROY WHITE, although no longer a regular member of Edison's faculty, is known and loved by every student. Mr. White taught math at Edison and was the golf coach for twenty-two years. In 1966 he retired, but now returns frequently as a substitute.

Mr. White began teaching high school when he was forced to quit his college coaching career because of the depression. Before he began coaching, Mr. White had played professional football from 1924 through 1930.

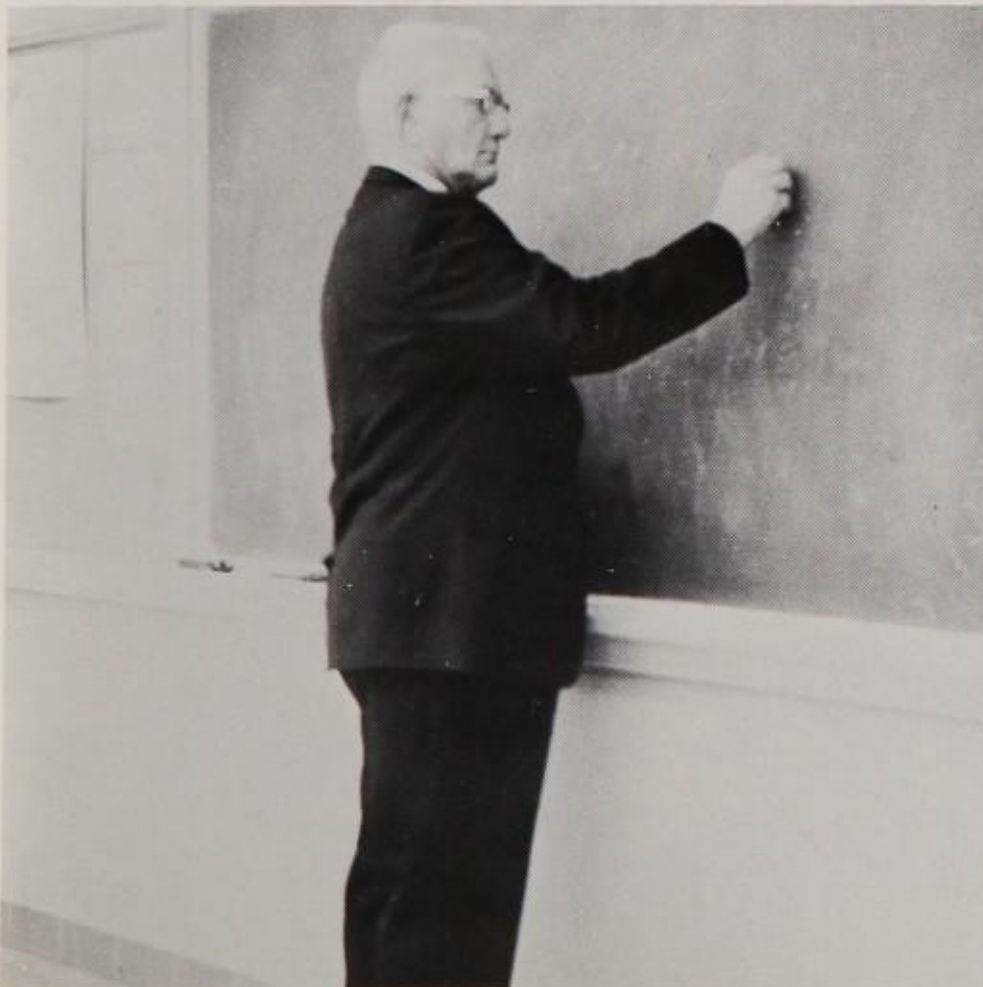

Mr. White was once known to punt the ball from one end of the field to the other. Red Grange called Mr. White "the greatest blocking back to put on a football suit."

The following article was found in a 1929 official program for the Chicago Bears Football Club Incorporated: "Roy White enrolled at the Brownwood High School and, during his four years of service in the back field, established a record that spread beyond the confines of the Lone Star State. After his last prep year in 1919, he played at the Daniel Baker College, leading the outfit in 1922. He then collected additional laurels at Valparaiso in 1923-24. Following a year with the Bulls in 1926, he played with the Bears in 1927-28."

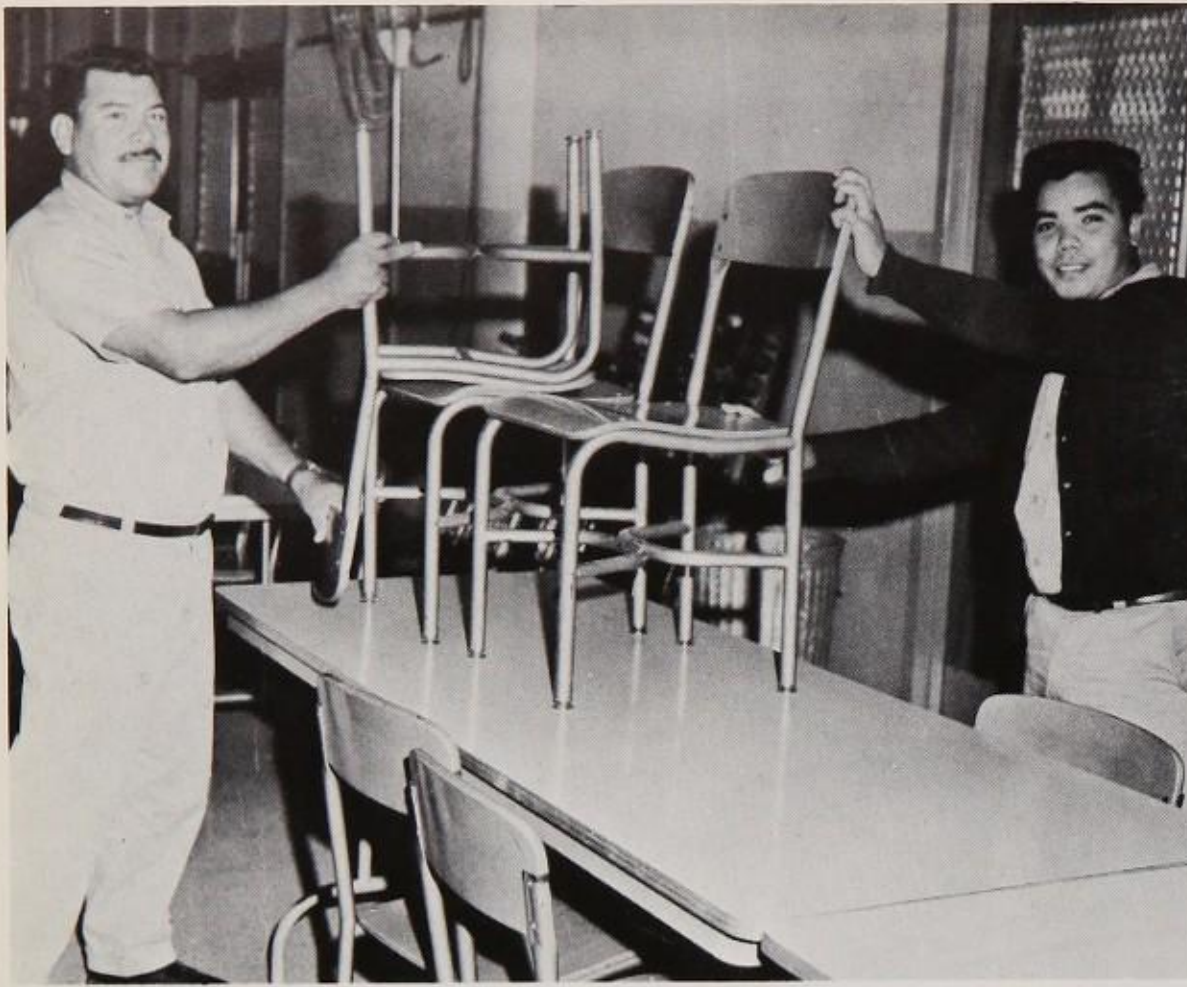

Mr. Roy White supervises Mr. Edward Morris's bookkeeping class in his absence.

On one of the many days that he substitutes, Mr. White prepares to write an assignment on the board.

Before the last game of the season, Mr. White gives the Bears a pep talk.

Mr. Felipe Rivas and Andrew Ramirez stack the chairs in the cafeteria after the second lunch period.

The many duties of Mrs. Jessie Martin and Mrs. Virginia Bennett includes taking care of the Teachers' plants.

Custodians Work From Morning Till Night

Custodians are: Mr. Seferino Guerrero, Mr. Concepcion Castoreno, Mr. Rudolfo Samudio, Mr. Joe R. Sanchez (Supervisor), and Mr. Felipe Rivas.

THE CUSTODIANS ARE perhaps one of the busiest crews at Edison. They are at work long before school starts, during school, and after school.

They are always on the move polishing, cleaning, sweeping, putting things up, and taking things down again.

It is through the hard work of these people that Edison has been able to stay looking as new as the day that its doors were first opened to the student body in 1958.

Kitchen Staff Works To Prepare Interesting Meals

THE KITCHEN STAFF at Edison is a staff well appreciated by the students. Monday through Friday these ladies work hard to prepare meals that are nourishing as well as interesting; arriving early enough to prepare breakfast and not leaving until after fourth period. They chop salads, bake potatoes, mash potatoes, make meat loaf, and keep refilling the serving dishes. Yet no matter how much work they do, the cafeteria staff always manages to greet each and every student with a smile.

Cafeteria workers are: FIRST ROW: Mrs. Marie Hernandez, Mrs. Florence Reyna, Mrs. Pauline Williams, and Mrs. Irene Kelly. SECOND ROW: Mrs. Betty Richards, Mrs. Katherine Schottman (supervisor), Miss Ella Poss, Mrs. Adell Asbury, Mrs. Ruby Hauseild, Mrs. Stella DeLaCruz, and Mrs. Poula Garza.

Mrs. Ruby Hauseild and Mrs. Betty Richards pause for a moment before beginning the activities of the day.

Bad Luck Haunts The Bears

Rebels, Chargers Victorious

EDISON'S FIGHTING GOLDEN Bears were defeated by the Austin Travis Rebels 31-12 in the Bears' season opener. Edison's two touchdowns were scored by Raymond Acosta, but they were to no avail as Travis piled up thirty-one points against the Bears.

Edison fell victim to the Churchill Chargers in the Bears' first 15-AAAA game of the season. The Bears countered Churchill's first quarter score with a 71 yard drive which was capped by Jerry Aguilar's scoring plunge from the one yard line. Acosta's attempt to run the conversion failed, leaving the Bears trailing 7-6.

Edison was outstanding on defense, twice halting long Charger drives. Churchill added its final score in the fourth period. Junior Randy McDonald blocked the Chargers' conversion kick making the final score 13-6.

Bruins Lose First Four Games

Cherokees Over Bears 27-6

EDISON DROPPED A non-district tilt to the Austin Johnston Rams 20-0. The game was moved from Alamo Stadium to House Park in Austin due to heavy rains from Hurricane Beulah.

The Bears' offense never started clicking until the third quarter when they managed to get their initial first down of the game. Edison did not even move into Ram territory until late in the fourth quarter.

Indians Overpowering

The Sam Houston Cherokees handed Edison its second straight district loss by defeating the Bears 27-6. The Cherokees proved their superior strength as they led 27-0 before the Bears could manage to tally.

Edison's lone score came when senior quarterback Howard Kresta ran a bootleg over the Bears' left end to score from the two yard line. The attempted run for the extra point failed.

Mac Defeats Edison

THE MACARTHUR BRAHMAS handed Edison its third district loss of the season by defeating the Bears 35-0. In pre-season balloting, MacArthur was ranked above all other class 4-A schools in the state.

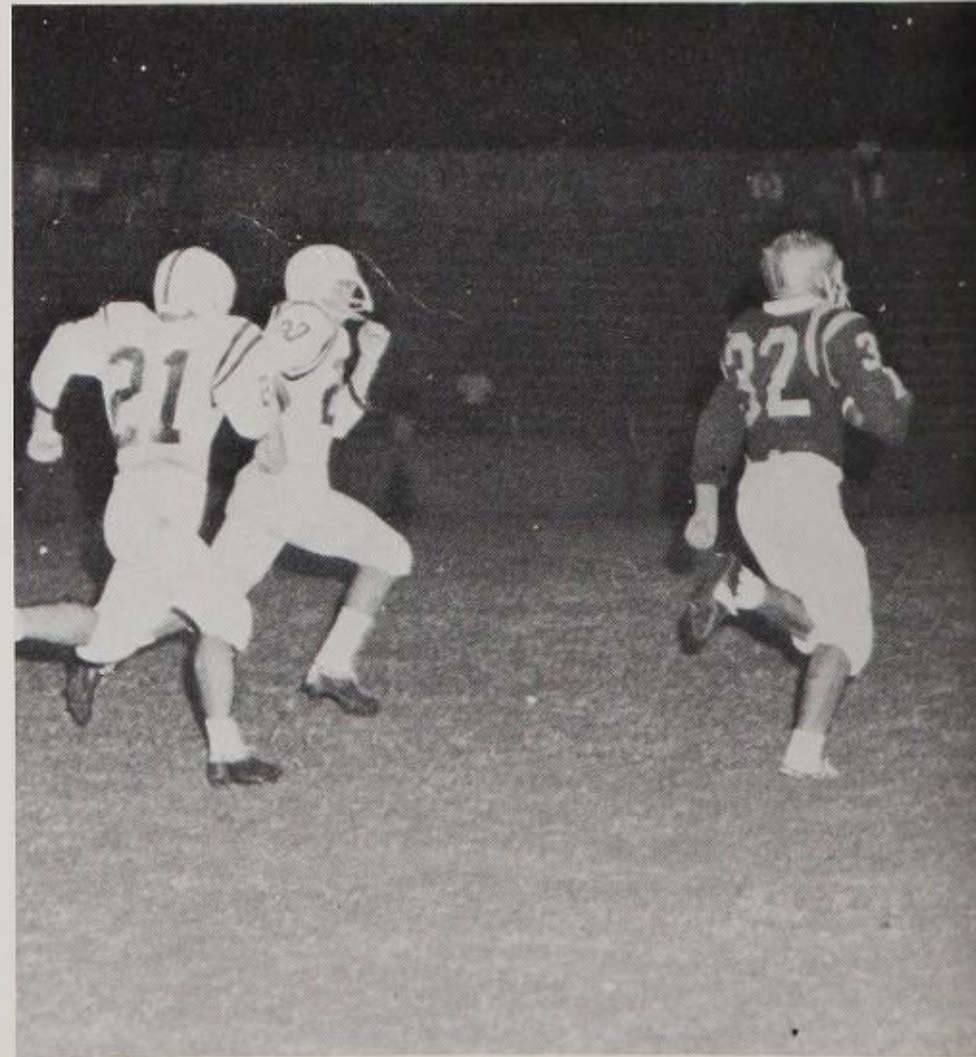

It was a long evening for the Bruins with the only bright spot coming from the running of junior fullback Randy McDonald who carried nine times for sixty-one yards.

Bruins Improve

Once again sparked by the running of Randy McDonald, the Bears put up an impressive fight against the Highlands Owls. The Owls won it, however, 29-12.

McDonald scored both of Edison's touchdowns on passes from quarterback Howard Kresta. Senior Raymond Acosta surprised and delighted Edison fans with a 63-yard runback of the opening kickoff of the second half. The game was played Friday the 13th.

Raymond Acosta breaks loose from the Highland secondary for a long gain.

Victory Visits Edison

A Spark Of Hope

EDISON'S GOLDEN BRUINS shined defense as the offense piled up four touchdowns to defeat the Roosevelt Rough Riders 28-13. This was the Bears' first victory since defeating Roosevelt a year ago.

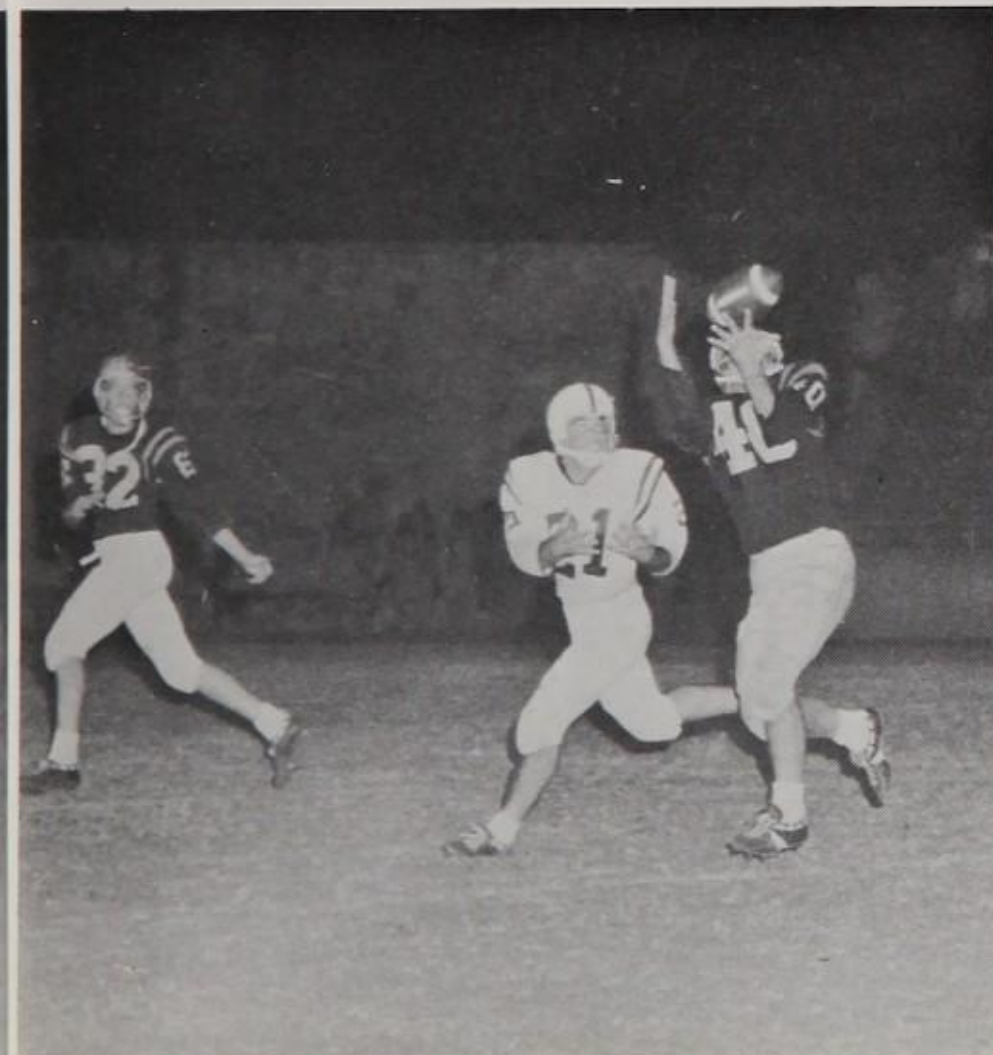

Junior Martin Dikes led Edison's defensive attack. His blocking of a punt and interception of a pass set up two of the Bears' touchdowns. Randy McDonald and Raymond Acosta each scored a touchdown. Senior Donnie Neubauer kicked two extra points. Junior Jerry Aguilar scored a two point conversion and two touchdowns, his last touchdown coming with 20 seconds left on the clock.

Vols Victimize Bears

After a week's rest, Edison showed high hopes against the Lee Volunteers. The Bears moved the ball surprisingly well against the Vols but had trouble scoring. Lee piled up 21 points before Edison could manage its first tally. The final score was 28-12.

Fullback Randy McDonald scored both the Bears' touchdowns on runs of three and seven yards, the last score coming with 39 seconds remaining.

Bruins Complete A Long Season

Randy McDonald shows his power drive as he charges through the Alamo Heights' line.

Mustangs Outlast Bears

EDISON FELL TO the Jefferson Mustangs 20-12 in a game that was played on a very muddy Alamo Stadium. The Bears made a very impressive show as they were the first to score. The score was tied 6-6 until the third quarter. Then Jeff added two more touchdowns to make the score 20-6.

Senior Raymond Acosta boosted Edison's hopes as he returned the Mustang kickoff 92 yards for a touchdown. The Bruins were unable to score again as there were only 56 seconds remaining in the game. Randy McDonald scored the Bears' first touchdown, and seniors Bobby Johns and Chester Rummell starred on defense.

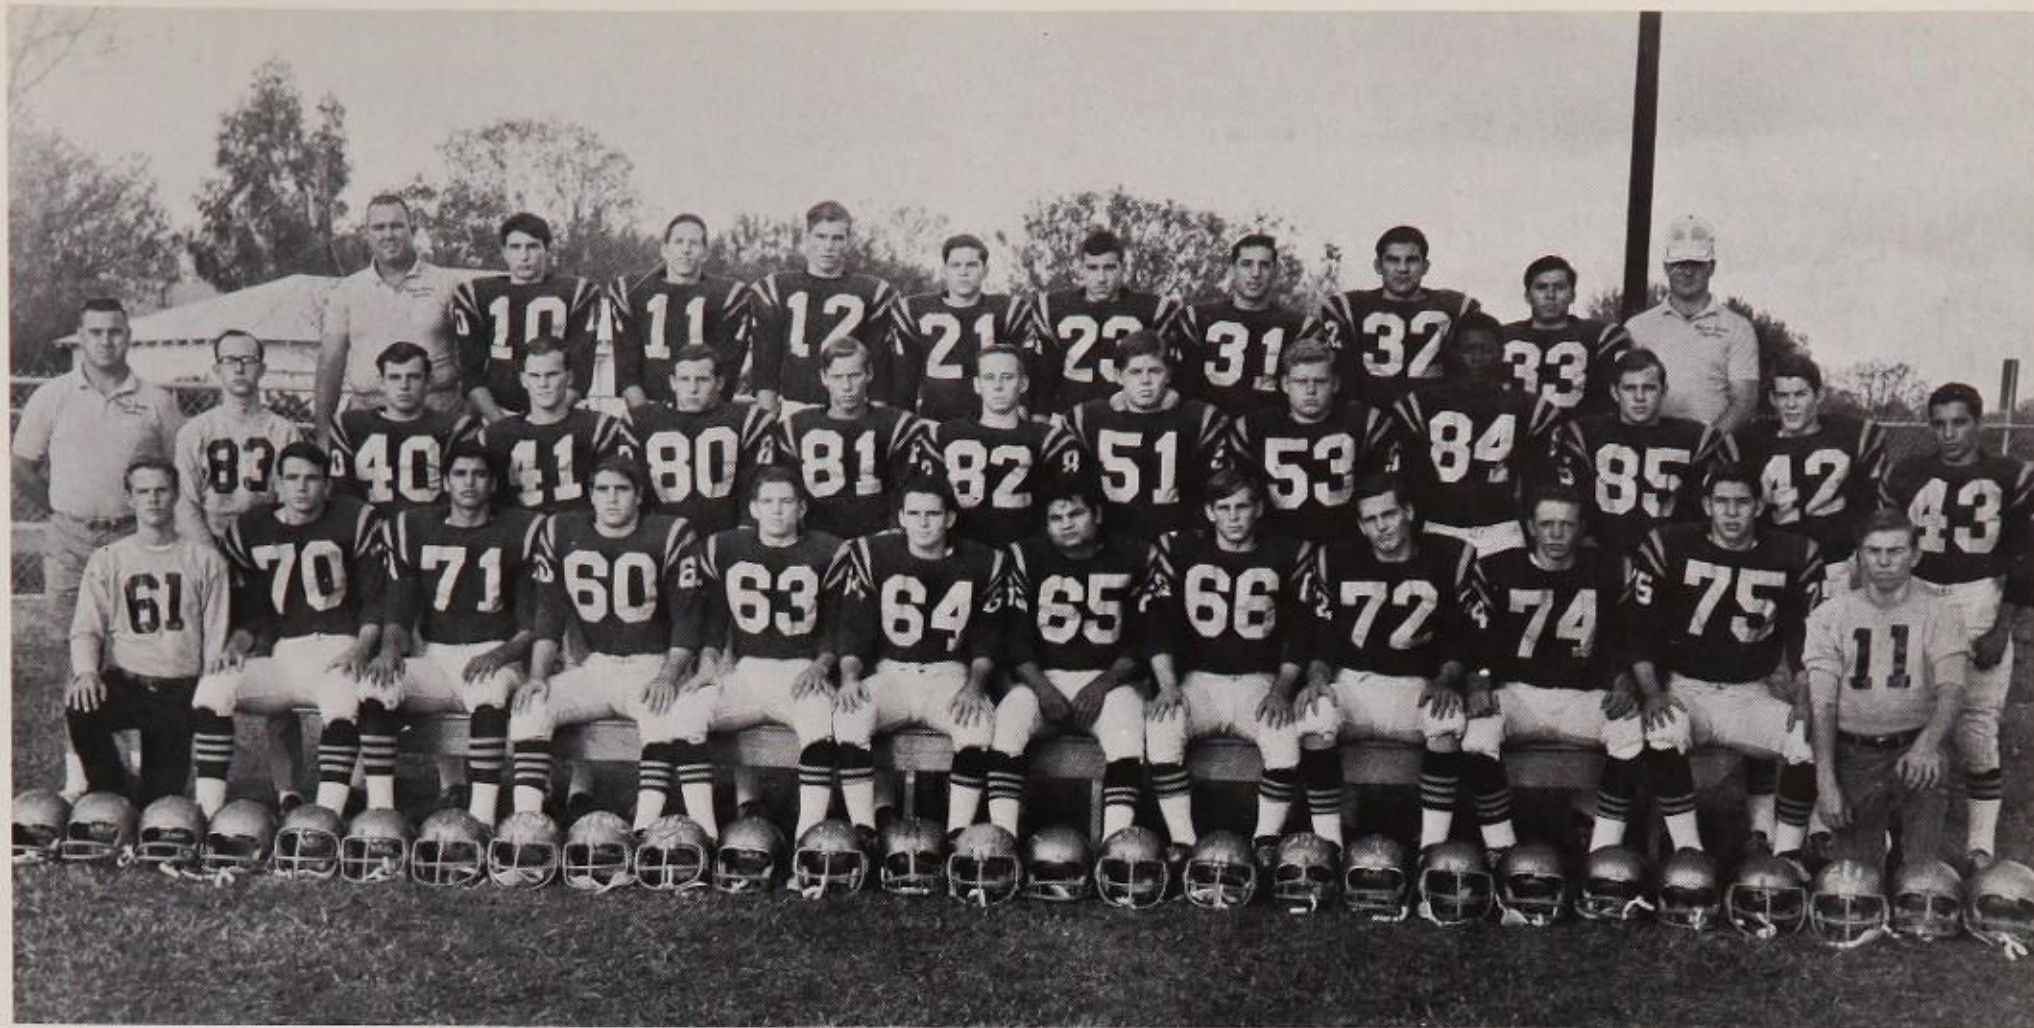

Mules Blank Edison

The Bears had trouble gaining yardage and consequently they had trouble scoring as the Alamo Heights Mules defeated Edison 26-0. At one point in the second quarter, the Bruins drove to the Mules' two yard line but could not muster a tally.

The loss to Alamo Heights terminated the Bears' season. They finished in eighth place in District 15-AAAA with a 1-7 record.

The Bears show spirit and determination as they charge onto the field.

B-Team Is Varsity Backbone

Coach Heffernann gives some advice to Jack Beaty.

THE CUBS ARE a slightly smaller version of the Golden Bears. They are juniors and sophomores training for positions on the varsity team. Cubs play "B" or junior varsity teams from neighboring and out-of-town teams.

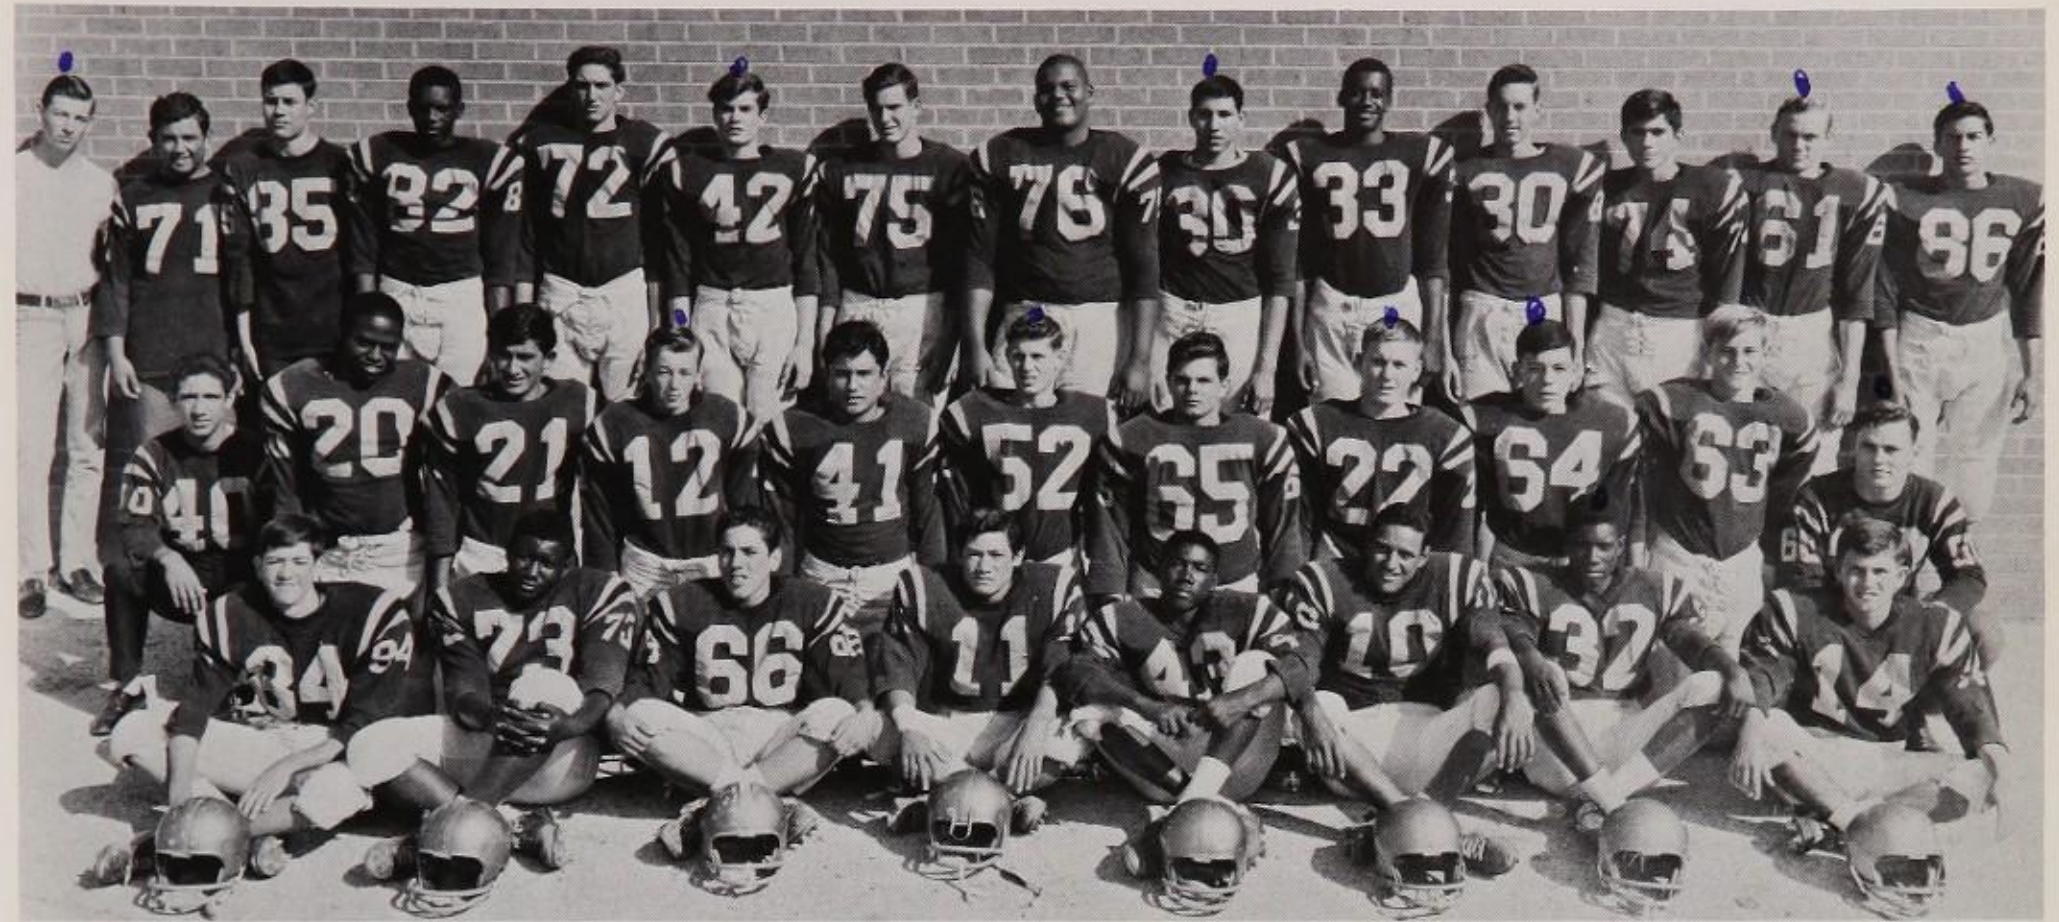

Coach Jerry Dosser has a new assistant this year. Coach James Heffernann has been assisting Coach Dosser with the B-team and has become a familiar figure in the halls of Edison.

The Cubs opened the 1967 season with a victory over the Churchill Junior Varsity. They were less fortunate after that as they lost their next four games. Despite their shortcomings, the Cubs showed great promise in their early outings, and the coaches have high hopes for them in the future.

Jack Montalvo calls the signals for the B-team.

Eagers Open '67-'68 Season

Larry Reed tosses in an easy two-pointer.

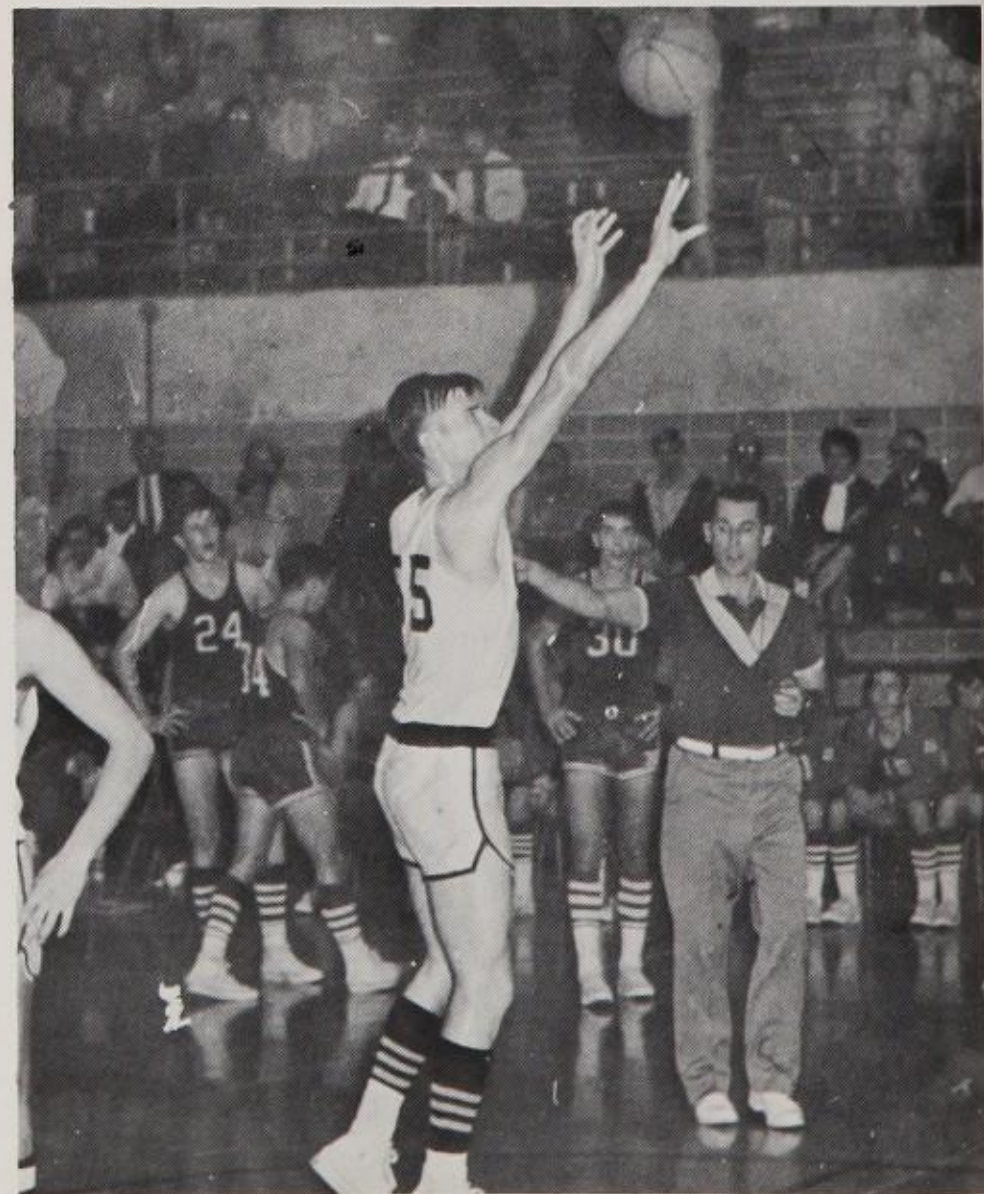

Bruins Beat Lanier, Churchill

THE EDISON BEARS began the 1967-1968 basketball season with a loss to the Marshall Rams. The Rams outranked Edison and had easy coasting to a 66-41 victory. An interesting highlight of the game came when Marshall's David Lower shot a 63-foot basket. Edison's leading scorer was Floyd Weiss with 13 points. He was followed by David Goetz with 10 and Larry Reed with 8.

Edison's roundballers defeated the Lanier Voks 54-48. It was a close game throughout. At the half Edison held a one point lead. By the end of the third quarter Lanier had gained a one point edge over the Bears. The Bruins then began hitting and came through with the six point margin. David Goetz was Edison's leading scorer with 21 points.

Edison fell to the Holmes Huskies 62-56 in a very tight offensive game. The score was tied after each of the first three quarters. The Huskies outplayed the Bears in the fourth quarter as they built up a thirteen point lead with two and one half minutes remaining. The Bruins' defense tightened and dwindled the margin to six points before the final buzzer. Larry Reed led the Bear's scoring with 17 points.

Bears Begin District Play

EDISON OPENED DISTRICT 15-AAAA play with a one point loss to the Mules of Alamo Heights. The game was tight throughout with both teams making fine showings. With only seconds remaining and the score tied, a Mule put in a foul shot to take the lead. Edison's Joe Herrera was fouled at the final buzzer, but failed to make his foul shot leaving the final score 43-42. Herrera led the Bears with 11 points, followed by Larry Reed and David Goetz with 10 each.

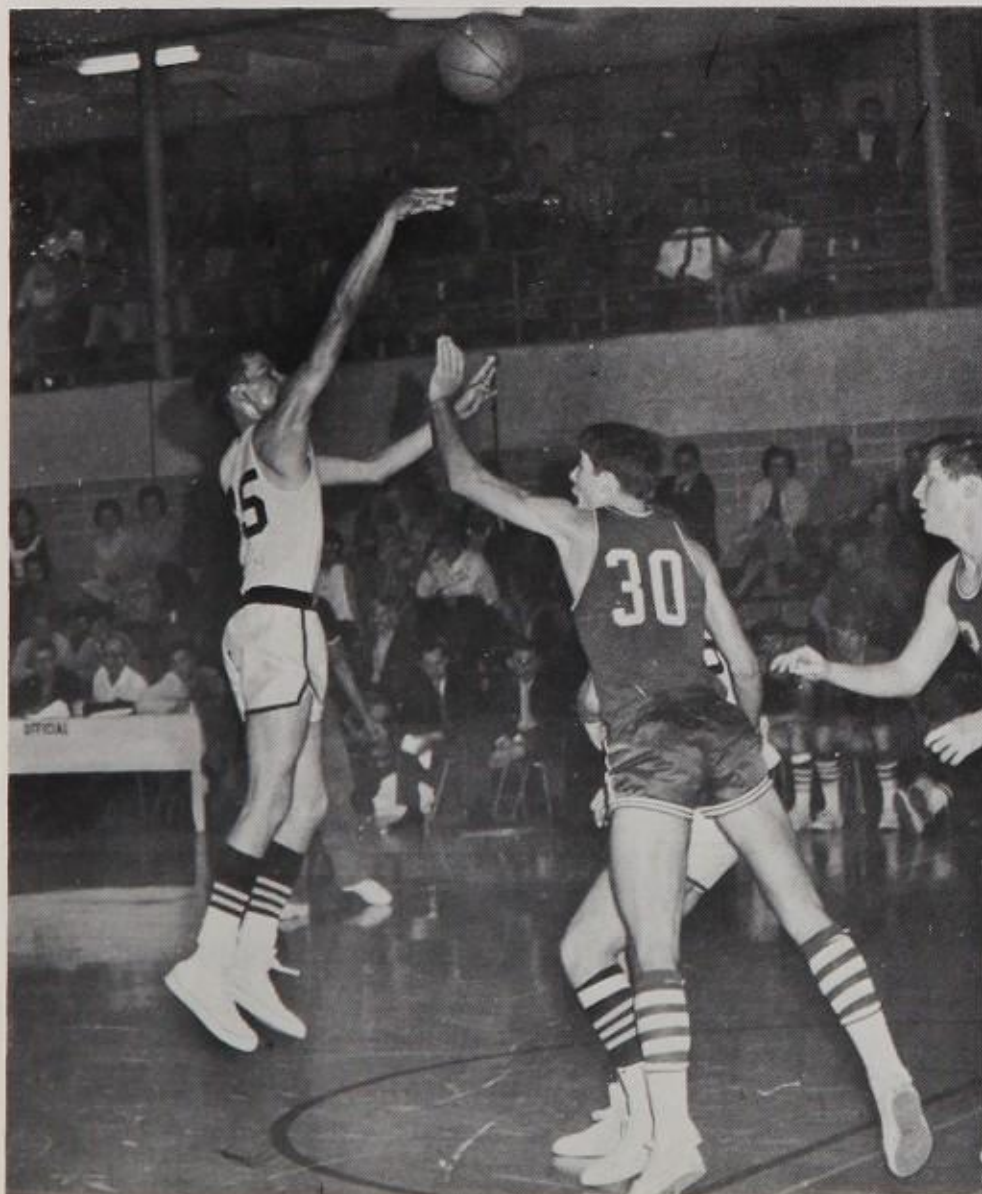

Highlands' Owls downed the Edison cagers 61-44. The Owls proved their mastery throughout the game as their excellent defense hindered the operation of the Bears' point-making machine. Edison's leading scorers were Larry Reed, who shot for 16 points, and David Goetz, who hit 10.

The Edison Bears defeated the Churchill Chargers 51-48 in a game at the Blossom Athletic Center. David Goetz was the Bears' leading scorer with 17 points.

Lee, Jeff Beat EHS

Larry Reed, Edison's leading scorer, buckets a free throw against Sam Houston.

EDISON'S BEARS FELL to the Lee Volunteers 60-50. The Bears pummeled the Lee defense and built a 19-8 lead after the first quarter. The Bears continued to dominate until Lee placed a full count press on the Bears late in the second quarter and dwindled Edison's lead to six points at the half. During the second half the Vols continued their upsurge and increased their lead to ten points at the final buzzer. Edison's leading scorer was David Goetz with 13 points.

The Jefferson Mustangs defeated Edison's cagers 69-45. The Bears had glimmers of hope in the early going as they led by two points at the close of the first period. However, Jeff quickly took the lead and mastered the rest of the game. Larry Reed led the Bears with 15 points. David Goetz hit for 12 points.

The Edison Bears defeated the Fox Tech Buffaloes 64-56 in a non-district contest. The Bears' leading scorers were Floyd Weiss with 18 points and Steve Kahlich with 13.

The way it all starts.

Cagers Beat Rough Riders

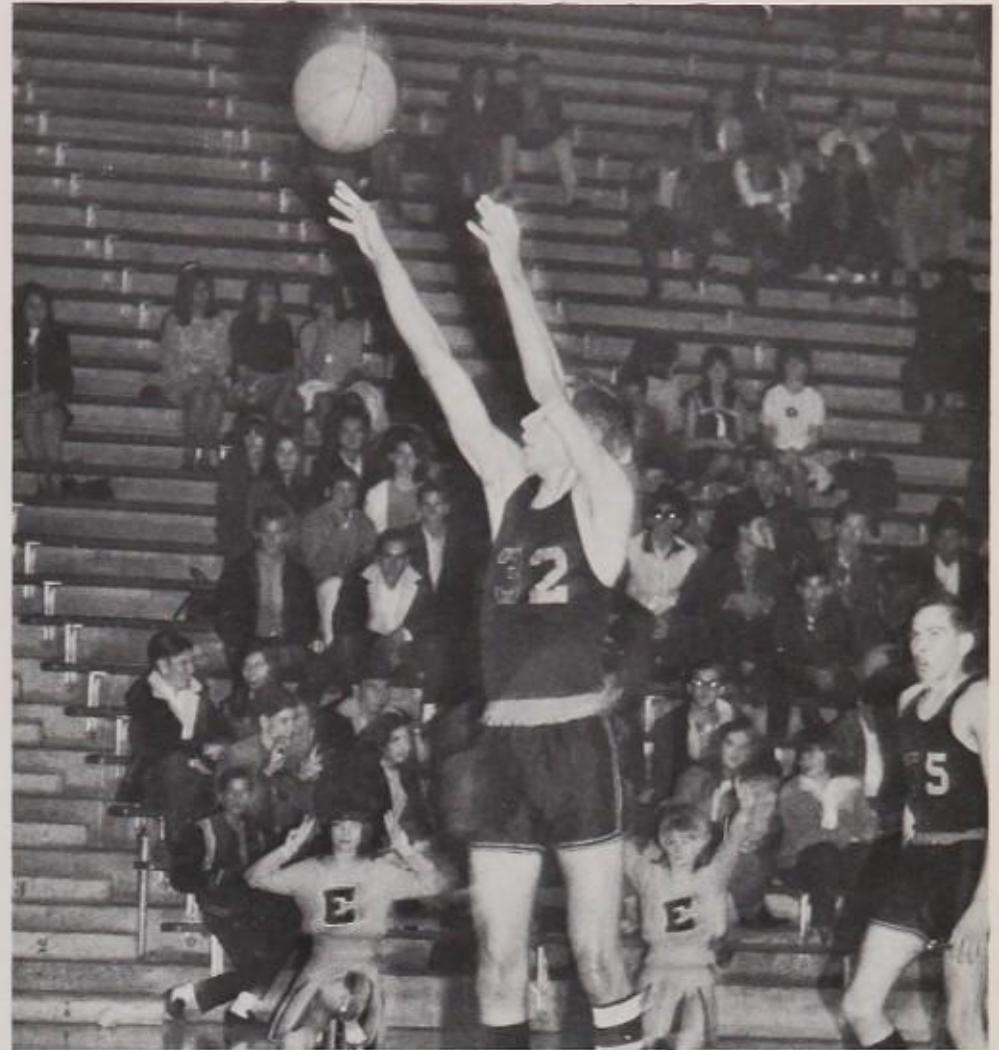

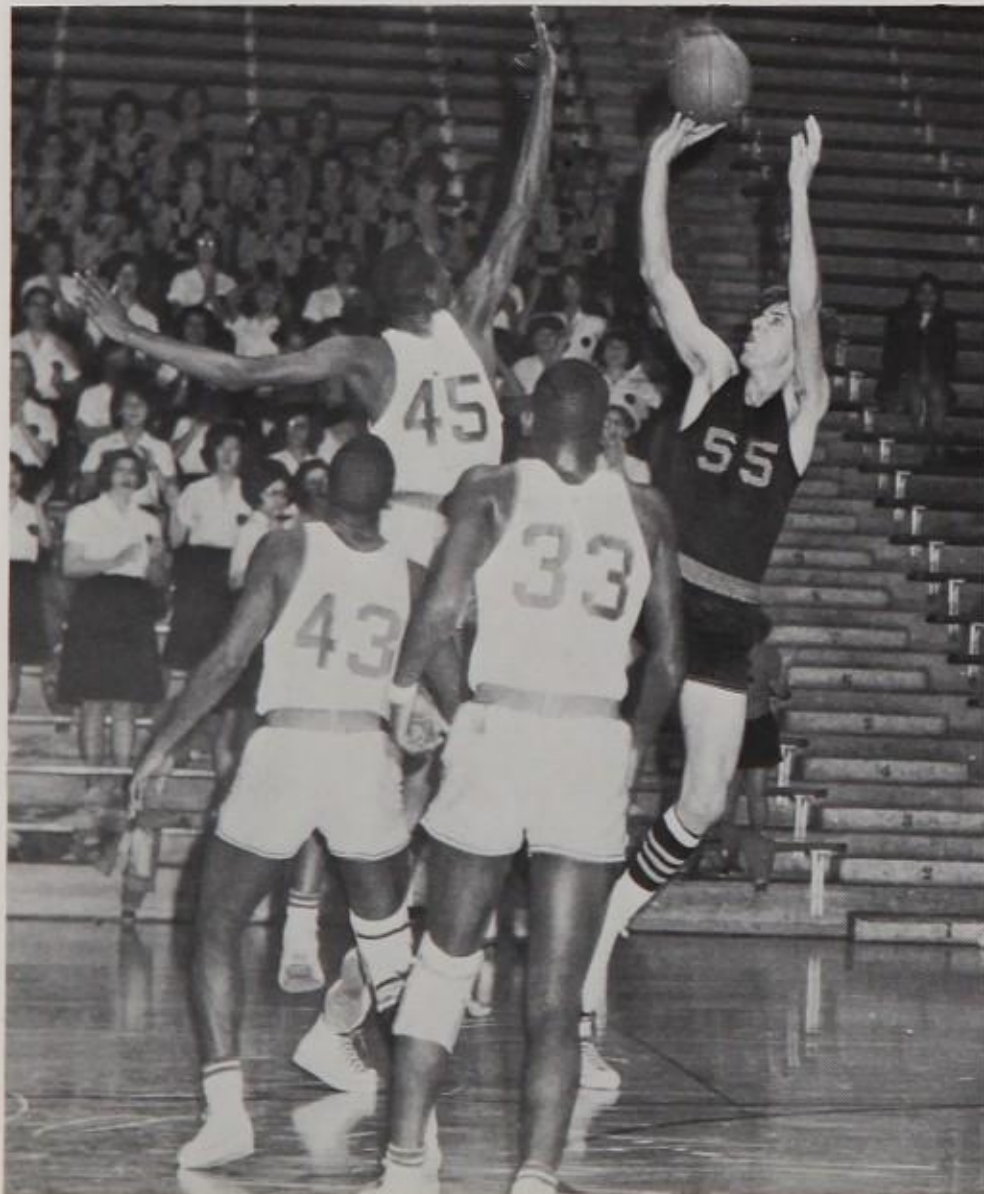

Indians, Mac Too Good

EDISON'S GOLDEN BRUINS slipped past the Roosevelt Rough Riders 55-54. The game was very close throughout with neither team gaining more than a five-point lead. Larry Reed scored 15 points; David Goetz scored 14.

The MacArthur Brahmas out-played the Bears to a 65-53 victory. The first half was a tight contest as there was only one point separating the two teams at the close of the second period. The third quarter saw Mac using a zone defense which spelled disaster to the Bears. Trying to overcome several mistakes, the Bears found the Brahma's lead too difficult to surpass. Larry Reed led the Bears with 17 points.

Sam Houston's Cherokees overpowered Edison's roundballers 86-56. The Indians were too much for the Bears as Edison found itself down by 26 points at the half. The Bruins tried to come back in the third quarter but found the deficit too difficult to surmount. Larry Reed led the Bears with 13 points.

Senior David Goetz places a jump shot over the high reach of a Cherokee defender.

All eyes are on Junior Steve Kahlich as he coolly shoots a free throw.

In a futile attempt to catch the Cherokees, Floyd Weiss lays in a two-pointer.

Bears Lose Two District Games

David Goetz tips in a two pointer.

Junior Travis Cornett puts in two points as he jumps high above the defenders.

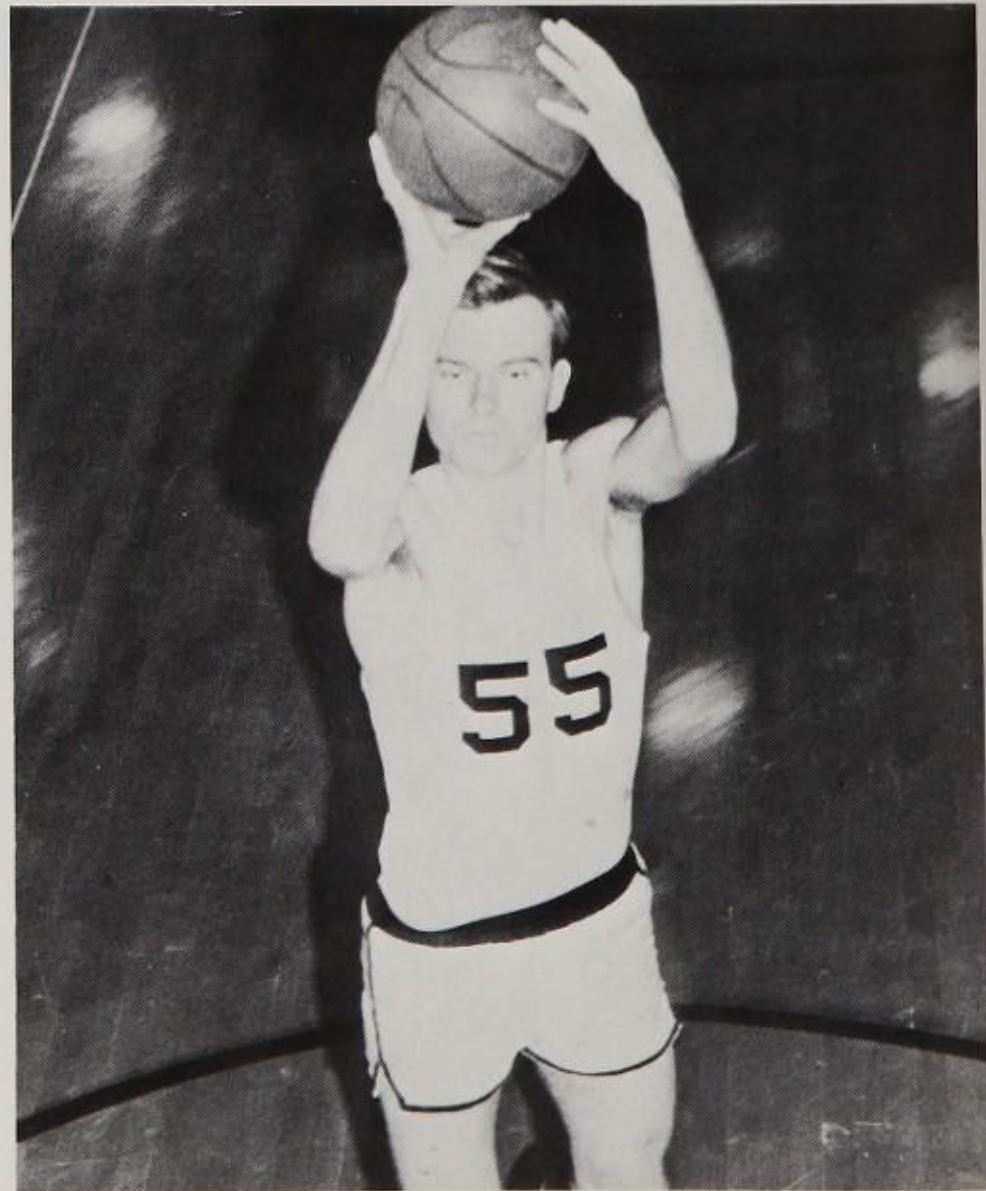

Mules, Owls Beat EHS

EDISON'S OUTMANEUVERED BRUINS fell to the powerful Alamo Heights Mules 59-44. The Mules picked up an early lead in the first quarter and led 29-24 at the half way mark. The Bears and the Mules played on even terms until late in the fourth period when Alamo Heights surged ahead to their final 15 point lead.

Edison's roundballers, playing without ailing starter David Goetz, were defeated by the Highlands Owls 69-42. The Owls took an early lead, but the Bears managed to retaliate and come within one point on three different occasions. Highlands then made their move and led 34-27 at the half. The Owls dominated the rest of the game bringing the final margin to twenty-seven points. Larry Reed's 13 points led the Bears' scoring.

David Goetz takes dead aim on the basket while shooting a foul shot.

Bruins Drop Six In A Row

Chargers By One, Lee By Two

THE GOLDEN BEARS' cagers fell to the Churchill Chargers by one point, 60-59. The Bruins held the upper hand in the early going as they led by four after the first period. Edison continued its dominance and led by 28-24 at the half. The Bears held an eight point lead in the third quarter when the Chargers made their move. Churchill racked up a nine point lead with only four minutes remaining. Edison pressed to the wire but could not come up with the lead. Larry Reed was tops in the Bears' scoring department with 17 points. Steve Kahlich and Joe Herrera each netted 13 points.

In a double overtime contest, the Lee Volunteers nudged past Edison 46-44. Lee held the lead throughout. In the fourth quarter the Bears gathered steam and finally tied the score 44-44 with seconds on the clock. The first overtime period was not productive for either team. With 27 seconds remaining in the second overtime period Lee sank two free throws to provide the Vols' final margin. Edison's leading scorer was Joe Herrera with 14 points.

David Goetz displays the poise of the Edison Bears as he calmly shoots a jump shot against Churchill.

Nothing But Losses

EDISON'S BEARS FELL to the Jefferson Mustangs 63-51. Jeff jumped ahead quickly and led 23-16 early in the second period. The taller, more experienced Mustangs stretched their lead to 37-26 at halftime. The Bruins tightened their defense and allowed Jeff to add only one point onto their margin during the third quarter. The Mustangs then ran ten straight points before the Bears could fight back and dwindle the margin. Steve Kahlich led the Bears with 19 points.

The Edgewood Red Raiders rolled past Edison 67-50 in a non-conference game. Edgewood dominated the contest and extended their lead even further with a big four quarter rally. David Goetz and Steve Kahlich shared high scoring honors for Edison with 12 points.

In a closely fought contest the Roosevelt Rough Riders came out on top of Edison 58-56. Roosevelt held the lead most of the way, but Edison closed the gap in the fourth quarter. The Bruins, however, were not able to recover. David Goetz scored 18 points for The Bears. Larry Reed tallied 12.

Junior Travis Cornett outjumps the opposition on the opening tipoff of the Edgewood game.

Edison Ends Cage Season

Bears Finish 2-14

EDISON'S GOLDEN BRUINS were spilled by the MacArthur Brahmas by a score of 50-49. The Bears jumped to an early lead and held a seven-point margin as the second quarter closed 30-23. In the third period the Bruins opened up an eleven point lead, but the Bulls' foul line accuracy closed the gap. The fourth quarter was a seesaw battle with Edison fighting to regain the lead. With two and a half minutes left to play Mac sank two foul shots to set the final score at 50-49, MacArthur. Steve Kahlich scored 14 points; David Goetz hit 12 points.

The Edison Bears fell to the Sam Houston Cherokees 75-65 in their game of the season. Larry Reed scored 23 points. The Indians' victory over the Bruins placed them in a tie for the district lead. Houston went on to win the playoff game and the district championship.

Senior David Goetz buckets another one.

Larry Reed (33), the Bears', leading scorer, shoots a long two-pointer.

Bears Get New Coach

MR. MORRIS STONE joined Edison's coaching staff as Head Football Coach on February 12. Coach Stone brings with him a reputation for putting a losing football team into the winners' column. He replaces Don Ross, who moved to Jefferson. Coach Stone was an All-State football player and State Champion Hurdler during his high school days at Kerrville. He then attended Rice University on a football scholarship and made the All-Southwest Conference team as a halfback. He comes to Edison highly recommended by coaches at Rice and Texas A&M.

Mr. Morris Stone, Edison's new Head Football Coach, displays the title of our school.

EDISON'S GOLDEN BEAR track team participates in 15-AAAA meets. They train ardently every day for several months before the first meet. Most pre-season sessions open with a cross-country after which the tracksters divide into the various track and field events. Coach Reggie West works hard with the team and supervises each practice. Some of the events entered by Edison's track are sprints of 100 yards, 220 yards, 440 yards, and 880 yards, 1 mile run, hurdles, relays, high jump, broad jump, discus throw, and shot put.

THE EDISON TENNIS team practices regularly at the San Pedro Tennis Courts. Miss Ann Arnot sponsors the team. The netters play several non-district matches in addition to the district tournament. In the district tournament, the nine teams are split into two divisions: one with four teams and one with four teams. Each division plays matches to determine the winner. These winners compete for the district championship.

The Edison tennis team is composed of a boys' singles, a girls' singles, a boys' doubles, and a girls' doubles. The Bear netters rated in the top five in their district.

IN NOVEMBER, THE Edison Golden Bear Band received their new uniforms equipped with concert jackets, pants, and overlays. On the front of the metallic gold overlays, there is an emblem of a bear, and on the back, an inscribed E. The black fur hats also have gold emblems on the front, and white plumes on the side.

The uniforms, designed by Mr. Travis McCown, fashioned the bear on the overlays from Edison's fiberglass bear. The uniforms were made by Sol Frank Inc. for approximately \$10,000.

The new concert suits were premiered when members of the brass section played with the San Antonio Symphony at the presentation here.

The Golden Bear Band performed at football games, pep rallies, parades, and several concerts during the school year. The band also competed in three University Interscholastic League events: a marching contest in December, a solo and ensemble contest in January, and a concert contest in March.

The band practices vigorously for their first half-time show of the year.

Honey Bears are foremost at every pep rally.

Members of the Honey Bear Pep Squad are the faithful backers of all Edison athletic events. They entertain the student body at football half-times with their intricate drill routines.

Each year the Honey Bears host a banquet for the E Club, and the Black and Gold Prom honoring senior pep squad officers.

At a spring barbecue given by the Booster Club the Varsity Cheerleaders, Junior Varsity Cheerleaders, and Pep Squad Officers are chosen for the following year.

Edison Actively Represents Itself

Brooks Knight demonstrates the various uses of the gavel; Randy Perry gets the point.

Mr. Morris, Student Council Sponsor, listens attentively to the meeting.

UNDER THE NEW supervision of Mr. Edward Morris, the Student Council members activated a full year of dances, drives, and sales.

The school year began with the annual event of the Howdy Hop. The Modulation Corporation entertained as Edison students danced to the music.

Later in the season the Halloween dance, typified by western cowboys and cowgirls, proved to be a great success.

During the month of December, the Council sponsored two drives for Viet Nam and for the Christmas baskets. The student body gave money to send the men in Viet Nam fruit cakes. Also, each advisory filled boxes with canned foods and clothing for needy families during the Christmas holidays.

Sales, another big promotion of the Student Council, rallied school spirit. The big item on the list proved to be the new Council emblem.

After a full year of hard work, the council members and student body took one step further in becoming better citizens and leaders of Edison.

Doubles Its Membership

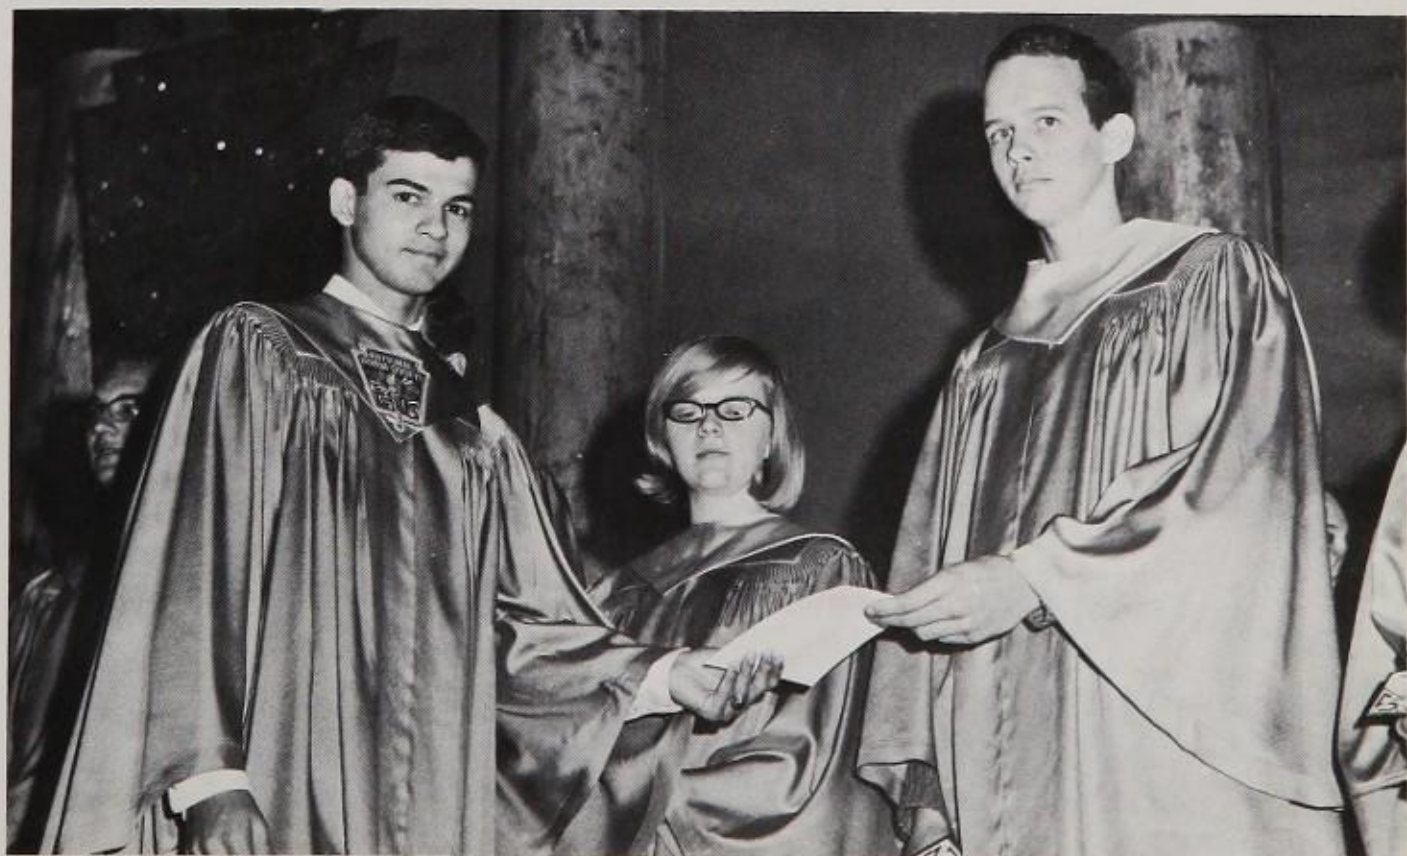

THE NATIONAL HONOR Society is a nationwide scholastic organization honoring those students who showed unusual service, grades, and leadership at school. In past years not much has been said about the Honor Society but under the sponsorship of Mrs. Barrier the Society has grown in importance. To begin a scholarship fund, the Society launched a very successful ROAD-E-O. In addition, the Society staged a convincing mock wreck to emphasize the importance of safe driving. The club also sponsored a Sophomore Tea encouraging those sophomores who made the honor roll to "keep up the good work." On March 14th., the club held its final act - the induction of fifty new members.

With much hard work and sincere efforts, the National Honor Society has achieved its purpose to utilize the service and mental ability of its members and offer a challenge to the unusually talented student.

Ronald Beck passes the flame of knowledge to Sandra Barstow in the induction ceremonies.

Optimists Devote Services To Edison

EDISON'S OPTIMIST OCTAGON Club tries to develop boys into good citizens and loyal supporters of their school. The club exhibits an optimistic spirit in their efforts to be of service to the teachers and students of Edison.

The Octagon boys take time out from school functions to work in the bookroom selling books as a service to fellow students.

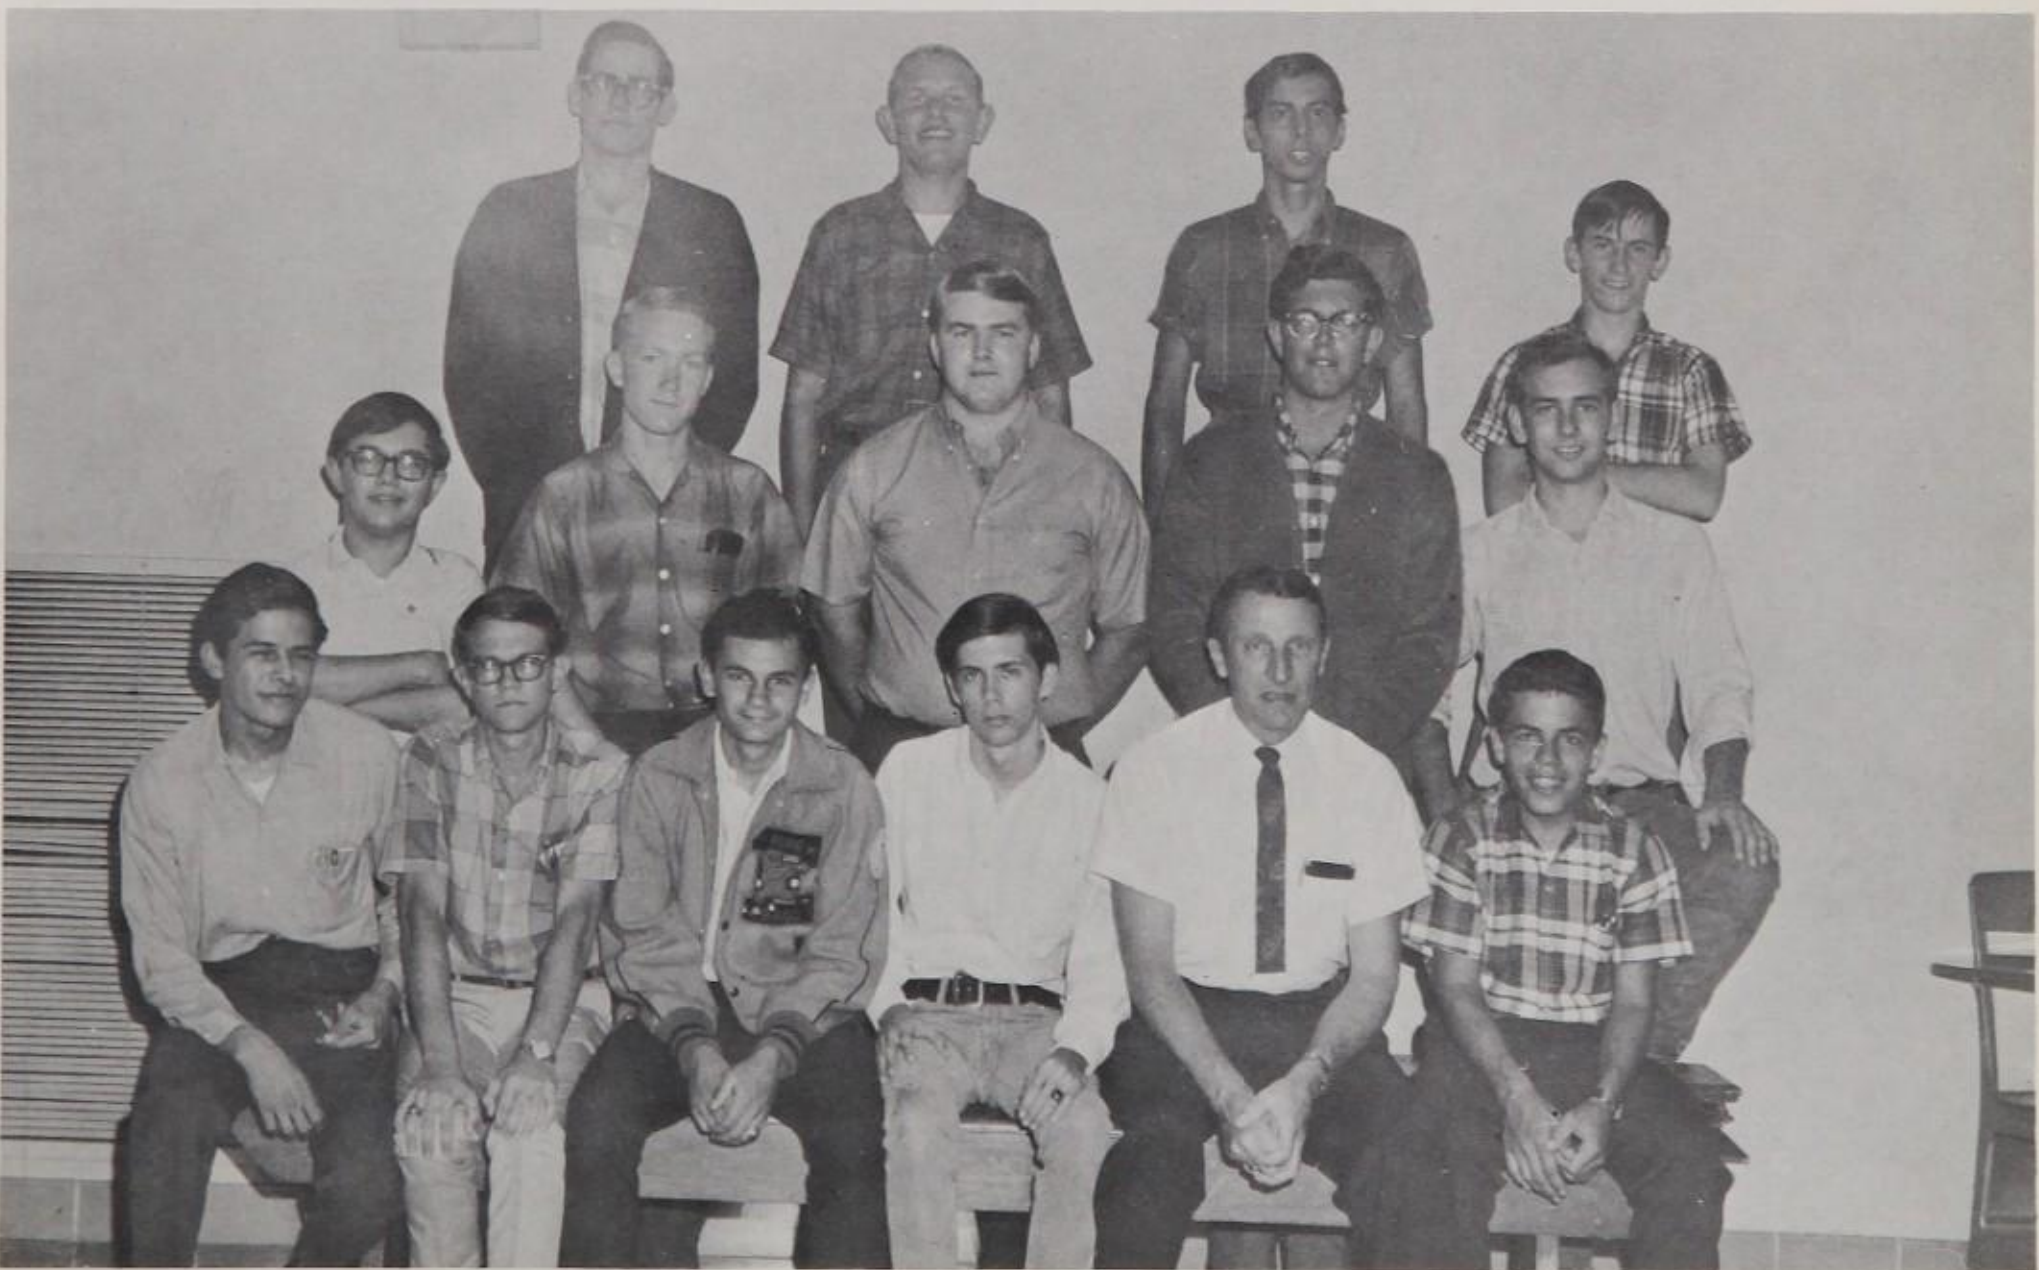

Optimist activities extend outside Edison where club members sell Christmas trees during the month of December. During Bicycle Safety Week, the Octagon Optimists join with Optimists International in directing bicycle rodeos.

THE TRI-HI-Y IS an organization designed to create, maintain, and extend throughout the home, school, and community, high standards of Christian character. The Edison chapter, made up entirely of sophomore girls, fulfilled this purpose through a yearly project and monthly projects. As the project for the year the club gave a Christmas tree, food and clothes to an unfortunate family. Their monthly projects were collecting for UNICEF, painting the nursery at St. Mark's Methodist Church, and holding a "slave day."

After working hard at these numerous projects, Tri-Hi-Y girls relaxed at a party with their brother club from Jefferson; a dance; and an initiation slumber party.

PTA Bridges Gap Between Home And School

THE OBJECTIVES OF the Parent-Teacher Association are:

To promote the welfare of children and youth in home, school, church, and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.

To develop between the educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

"Messiah" Heard Throughout Hemisfair City

Practices in the auditorium determine the volume necessary for a perfect performance.

The Huisache Baptist Church is the sight of the choir's dress rehearsal for their evening performance there.

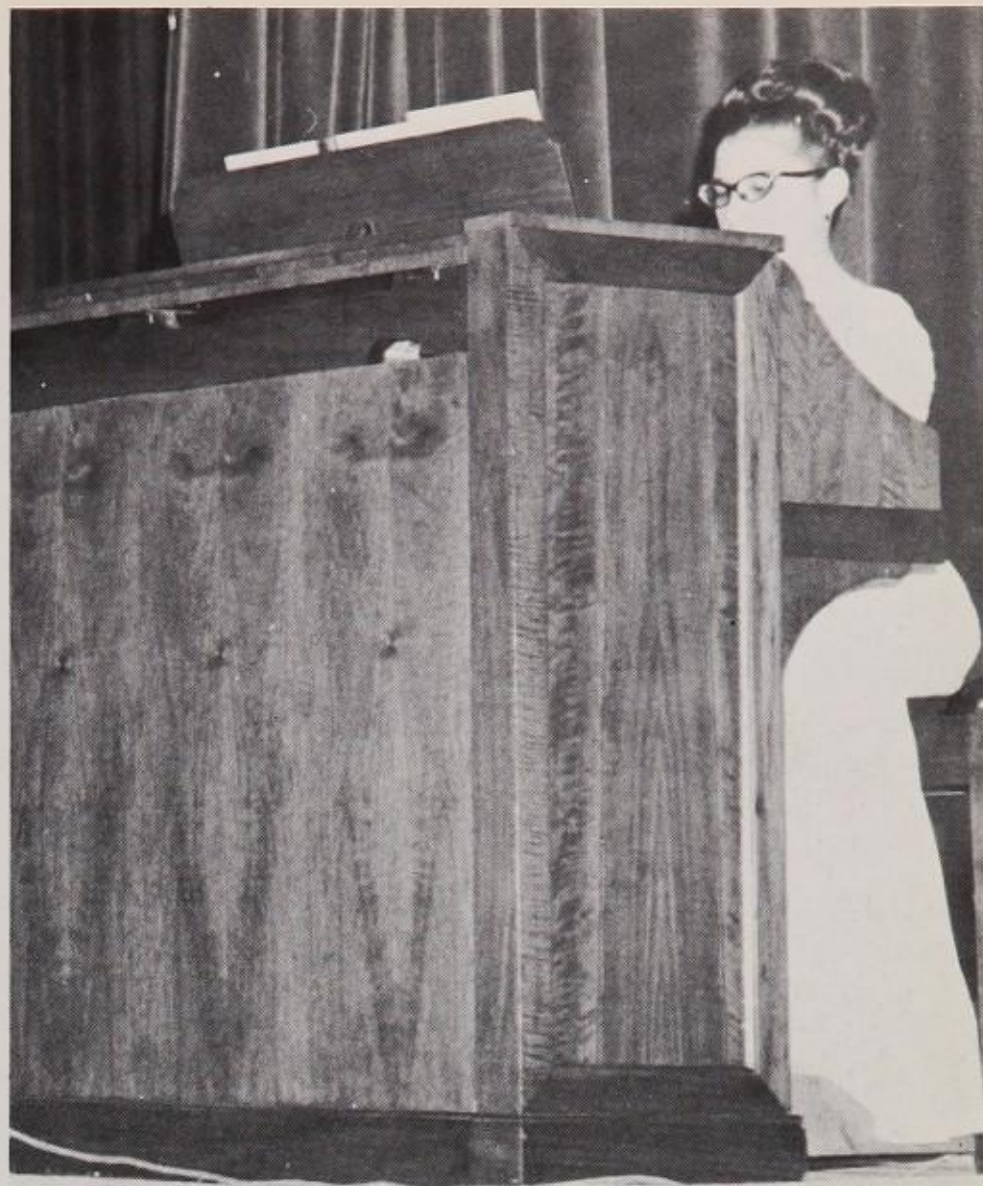

After their performance at Mission Conception, the Chanteys pose for a picture on the steps of the old cathedral.

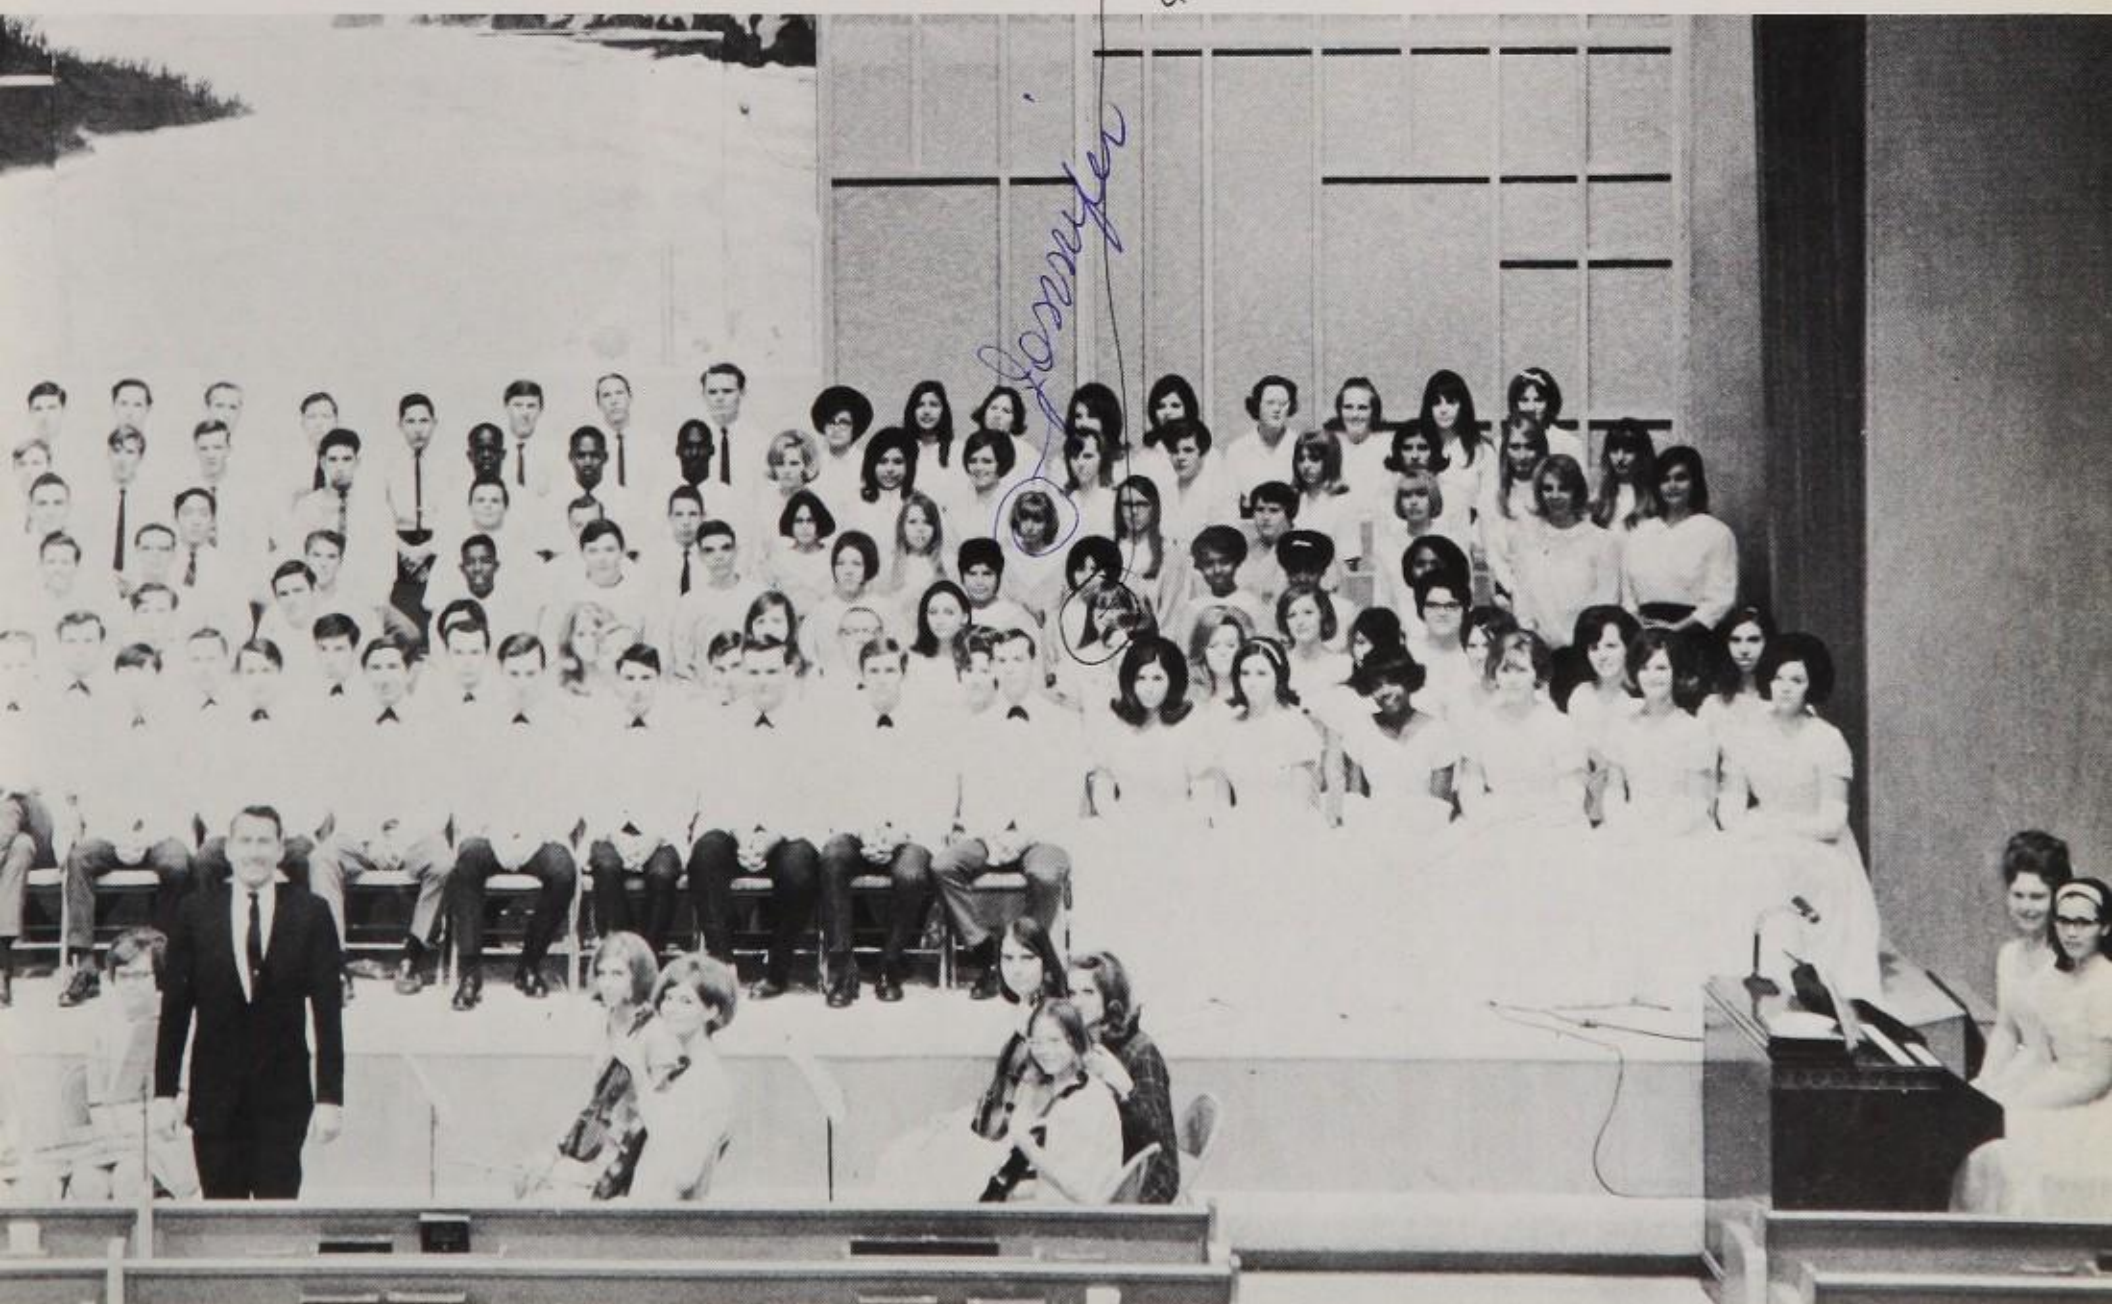

THE EDISON CHOIR, headed by Mr. Harry White, participated in many musical productions for the student body and as representatives of Edison for many public appearances.

There are three main groups in the choir. The A Cappella Choir is the largest made up of advanced choir students. The Robed Choir is the group of intermediate students. The Chanteys are a specialized group of choral students. All three divisions contribute greatly to the programs that the students attend.

In addition to the school-wide appearances, the A Cappella choir performs many outside projects. The largest and most beautiful show is the "Messiah", which the choir gives every Christmas. This program was heard not only by the student body but was also performed at Mission Conception, Huisache Baptist Church, and North Star Mall. They also recorded "Messiah" and "Vivaldi's Gloria" as an extra project.

Maria Garza accompanies the Choir on the organ during the "Messiahs."

THESPIAN TROUPE 722 is an organization devoted to the advancement of dramatic arts in secondary schools. A dramateer earning ten points by performing various services for the Drama Department is eligible for initiation into the Thespians.

During the year, the Thespians presented a three-act play, a one-act play, a talent show, the Senior Play, and participated in various speech contests.

Mary Helen Fain, Gordon Swan, and Neal Arnold find these initiation stunts a bit childish.

Jane Farris distributes initiation beanies to those who have earned ten points for service to the Drama Department and wish to become Thespians.

Karen Olsen shows emotion as she performs before the class.

LAST YEAR THESPIANS presented "The Miracle Worker," the life story of Helen Keller, to the student body. This year Thespians again presented the play to the public in an effort to raise money for the Muscular Dystrophy Association.

The Muscular Dystrophy Association asked the cast to go on a tour of small towns surrounding San Antonio to raise money. Roy Akers agreed to finance the complete tour. This summer Thespians from Edison will present "The Miracle Worker" to towns which would not otherwise have the opportunity to see such a production.

Latin Club Adopts A Name

Carolyn Powell sighs as she proudly displays her work on the Latin Club bulletin board.

The beginning of a new year meant the beginning of a new name for the Latin Club. After several years without a title, the members thought a change was necessary. As a result, "The Romans of Yesterday, Today, and Tomorrow" was selected.

A Christmas party, a powder puff football game, and numerous cake sales highlighted the club's year. The profit from the cake sale supplemented the fund used to purchase necessary Latin aids.

The club's main interest is centered around the relationship between present western civilizations and its connection with the greco-roman civilization.

THE FRENCH CLUB was highlighted by varied activities throughout the year. To introduce new members to the club Mrs. Dees, the sponsor, held a get-acquainted-barbecue at her home. When possible the club attended films pertaining to French culture and background, one of which was Becket. In observance to Lent and as a yearly tradition Mrs. Dees sponsored a pancake breakfast. Other activities included an international dinner and participation in the Symposium.

AS FAR BACK as the eighteenth century, the vaqueros of the mission ranches of South Texas celebrated with bull riding and bull roping on the days of fiesta. This grew into the modern sport of rodeo, a sport in which the members of the Edison Rodeo Club participate.

The Rodeo Club was organized this year through the combined efforts of Monte Hunter and Mike Hill. The club proposes to create a western atmosphere at Edison. The new club's membership includes boys and girls. Most of the boys bull ride and the girls barrel in rodeos in Yorktown, Edinburg, Sommerset, Voights Arena, and Frontier Town.

Membership is limited to those who can ride a horse and participate in rodeos.

Photographers Picture Edison

THE OBJECT OF the photography department is to relate the week-by-week events of Edison in pictures. The photographers' skill is called upon for both the Bear Tracks and the Spark. Through the year the photographers cover dances, games, pep rallies, club shots, and other various activities. Even though there was large staff of ten photographers, there seemed never to be a second's time in between photo assignments.

Of course, taking pictures was not the main part of photography. It was the photographers' duty to develop the negatives, print the pictures, and at the same time train future Photography I students.

Bear Tracks Receives

THE BEAR TRACKS STAFF works hard to publish a newspaper which will effectively reflect the activities and views of Edison students in a professional journalistic style. Their efforts were rewarded with a Journalism Award for Excellence at the Texas High School Journalism Workshop.

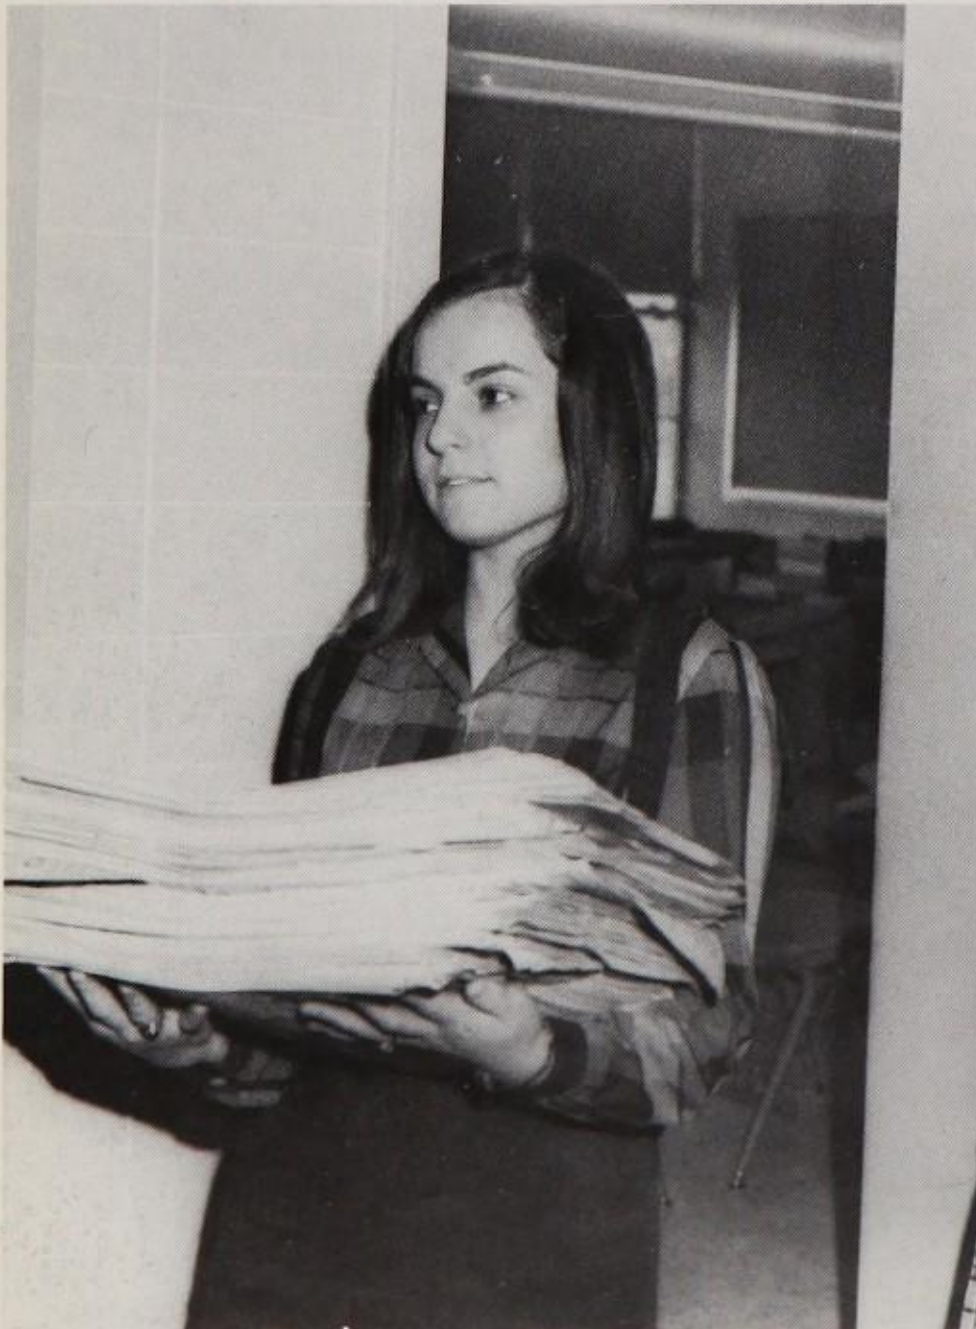

Published bi-weekly, the Bear Tracks features everything from new teachers to turkey shoots, from outstanding athletes to "The Messiah", from a club's field trip to a football victory. The Christmas issue had the added attraction of being partially printed in red ink.

The Bear Tracks is a member of Quill & Scroll, Texas High School Press Association, and the Interscholastic League Press Association.

Class Of 69 Enjoy The Pleasures

Sponsor: Miss Margaret Donkin

President Neil Fisher
Vice-President Toni Dawson
Secretary Jo Cloud
Treasurer Joleen Rice

The junior class officers emphasize their year of graduation and anticipate the good times they will have when they are seniors. The ordering of their senior rings was the first step toward seniorhood.

Of Becoming Seniors

SPIRIT! THIS SEEMS the best word to describe the Junior class of 67-68. This spirit is reflected by the four officers the juniors chose to lead them.

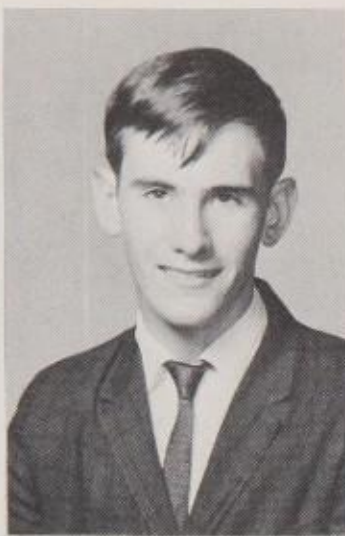

Throughout the year the juniors collected money for worthy causes. They began by leading the three Edison classes in collections for the Viet Nam Christmas drive. For this accomplishment the class received a trophy. The class then participated in raising funds for March of Dimes and the Easter Seals.

Through these and other activities the juniors displayed their true school spirit.

Toni Dawson, Jo Cloud, Neil Fisher, Joleen Rice, and Miss Margaret Donkin pose on the newly constructed Hemisfair grounds. The Tower of the Americas is shown in the background.

Sophomore Class Officers

Donn Penn, Helen Alarcon, Alex Alarcon, and Mark McDonald pose outside main entrance.

Sponsor, Mrs. Barbara Bennett

THE SOPHOMORE CLASS of 1968 will long remember their first day of entering Edison. It was with this step that they entered the world of high school - a world of dances, parties, club meetings, pep rallies, and football games. They attended these activities and enthusiastically supported the efforts of upperclassman throughout the year. With this new zest for life, came the election of the Sophomore Class Officers. The officers who were elected were very capable students, and they did their best to make the Sophomore Class outstanding.

Associate Editor, Mary Harmon, finishes her tedious work of proof-reading another page of the yearbook.

Sophomore Dale Duderstadt, assists Carol Wilson, Faculty Editor, in meeting a deadline.

Mary Speirer, Clubs Co-editor is pleased with the vast assortment of pictures to choose from - a rare occasion.

Sarabeth Bowren and Clay Gill make use of the few spare moments before the Spark activities begin.

Paul Geisler looks on as Sharon Kiesling checks one of his sport pages for the annual.

Spark Staff Concentrates

Bob Reyes teaches Robert Houston how to focus the Kodak as Martin Herrera and Jesse Rangel look on.

SIX MONTHS OF gathering pictures, writing copy, enlarging and reducing shots, and making layouts resulted in a three hundred-fifty page summary of the year's activities at Edison. Photographers caught students in every function and staff members laid the prints on the page with unique arrangements of copy, headlines, and cutlines to present the student body with a memory of Edison High in 1968. Each deadline at the end of the month brought these pages closer to a bound edition of Spark '68, and by the middle of March the Spark was a reality.

At the beginning of October subscriptions began on the annual and staffers collected once or twice a week during advisory. As well as laying out an annual and collecting for it, the staffers helped train Journalism I students for next year Spark positions.

Sharon Kiesling, Michaelyn Haag, Jim Sinclair, and Mary Harmon display their pride in their annual positions.

Sophomore Carolyn Jackson sees it's going to be a hard task to be on the Spark staff.

Mary Harmon helps Mary Anne Sturrock with her first layout.

On Monthly Deadlines

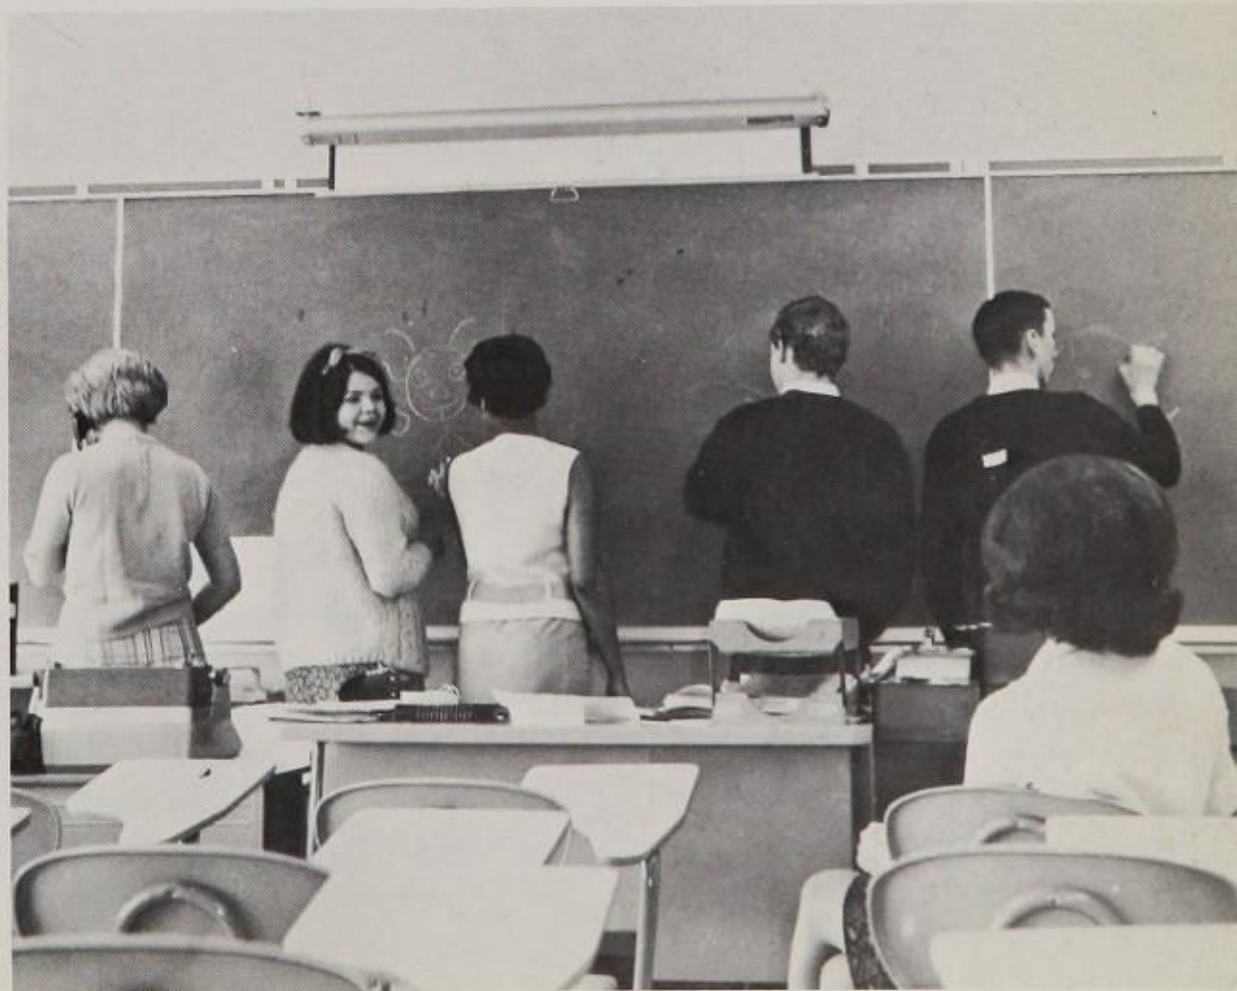

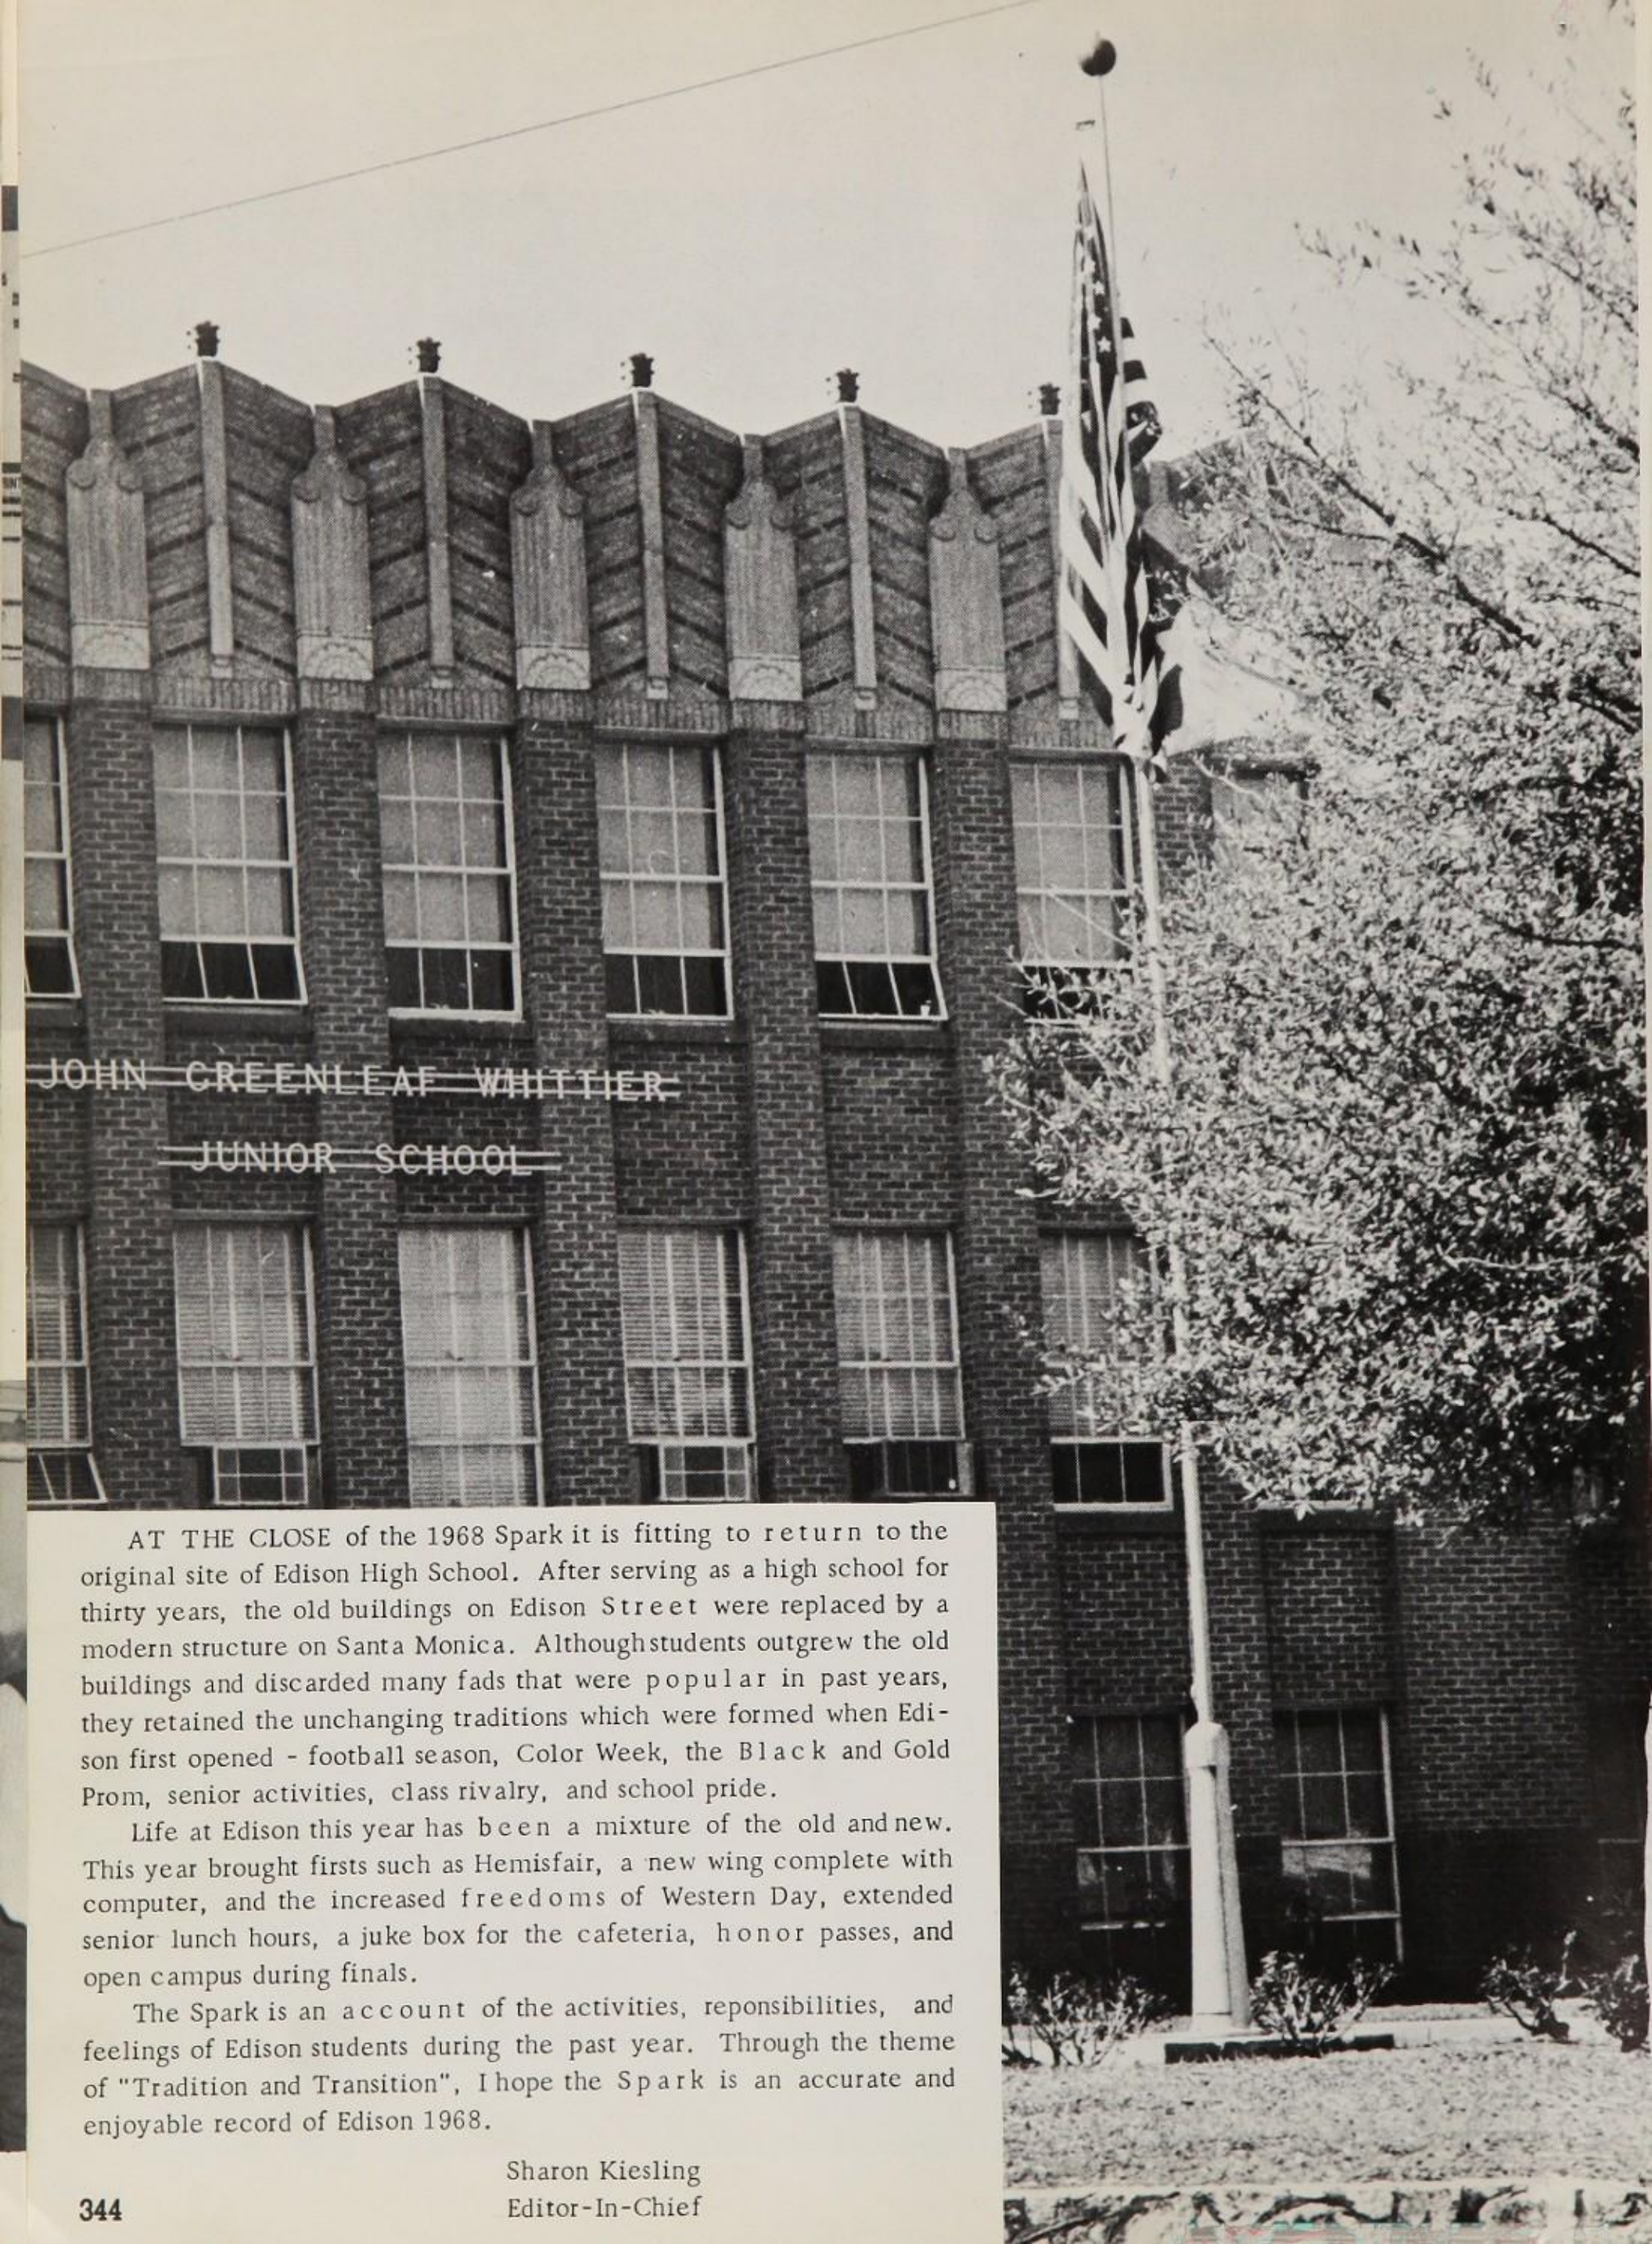

Mary Speirer and Suzan Haag, Club Editors, meet each other on the way out of the dark room.

Our photographer catches Martin Herrera before he has a chance to snap the shot.

Journalism students get in the spirit of Christmas as they join together in decorating the black board.

AT THE CLOSE of the 1968 Spark it is fitting to return to the original site of Edison High School. After serving as a high school for thirty years, the old buildings on Edison Street were replaced by a modern structure on Santa Monica. Although students outgrew the old buildings and discarded many fads that were popular in past years, they retained the unchanging traditions which were formed when Edison first opened - football season, Color Week, the Black and Gold Prom, senior activities, class rivalry, and school pride.

Life at Edison this year has been a mixture of the old and new. This year brought firsts such as Hemisfair, a new wing complete with computer, and the increased freedoms of Western Day, extended senior lunch hours, a juke box for the cafeteria, honor passes, and open campus during finals.

The Spark is an account of the activities, responsibilities, and feelings of Edison students during the past year. Through the theme of "Tradition and Transition", I hope the Spark is an accurate and enjoyable record of Edison 1968.
